

COMPANY PROFILE

Delivering quality livestock, agricultural products, and reliable export solutions with a strong commitment to animal welfare, compliance, and sustainable growth.

Based in Thailand | Serving Regional & International Markets

WELCOME MESSAGE

Welcome to ALIYAH AGRI (THAILAND) CO. LTD.

We are pleased to present our company profile and share our vision, values, and business direction with you. ALIYAH AGRI (THAILAND) CO. LTD was established with a clear purpose — to deliver reliable, ethical, and high-quality livestock and agricultural export solutions from Thailand to regional and international markets.

Our business is built on strong fundamentals: responsible sourcing, strict compliance with veterinary and export regulations, and a deep respect for animal welfare and sustainability. We believe that long-term success in the agricultural and livestock industry comes from trust, transparency, and strong partnerships.

As we continue to grow, our focus remains on expanding our export capabilities, strengthening our supply chain, and creating sustainable value for our partners and investors. We are committed to continuous improvement and to meeting the evolving needs of global markets.

Thank you for taking the time to learn more about ALIYAH AGRI (THAILAND) CO. LTD. We look forward to building lasting relationships and exploring future opportunities together.

Sincerely,

Managing Director

ALIYAH AGRI (THAILAND) CO. LTD

COMPANY OVERVIEW

ALIYAH AGRI (THAILAND) CO. LTD is a Thailand-based agricultural and livestock export company committed to delivering high-quality products to regional and international markets. The company operates with a strong focus on ethical sourcing, animal welfare, regulatory compliance, and long-term sustainability.

Our core business activities include livestock export, agricultural trading, animal feed supply, and related veterinary-supported services. We work closely with trusted suppliers, licensed veterinarians, and logistics partners to ensure that all products meet required health standards and export regulations.

ALIYAH AGRI (THAILAND) CO. LTD is driven by a clear growth strategy and a commitment to building reliable, transparent partnerships with buyers, investors, and stakeholders. By combining industry knowledge, responsible practices, and efficient supply chain management, we aim to position ourselves as a dependable export partner in the agricultural and livestock sector.

As we expand our operations, our goal is to create sustainable value through quality, integrity, and continuous improvement while contributing positively to the agricultural economy and global food supply chain.

COMPANY BACKGROUND

ALIYAH AGRI (THAILAND) CO. LTD was established to meet the growing demand for reliable and ethical agricultural and livestock export services from Thailand. Recognising the importance of quality, compliance, and trust in global trade, the company was formed with a clear focus on responsible sourcing and professional export operations.

From its early stages, the company has prioritised strong relationships with local farmers, suppliers, and veterinary professionals to ensure that all livestock and agricultural products meet required health, safety, and regulatory standards. This foundation allows ALIYAH AGRI (THAILAND) CO. LTD to maintain consistency in quality while supporting sustainable agricultural practices.

As the business continues to develop, the company remains focused on strengthening its supply chain, expanding export capabilities, and aligning its operations with international market requirements. Guided by industry knowledge and a long-term vision, ALIYAH AGRI (THAILAND) CO. LTD is steadily positioning itself as a trusted partner in the agricultural and livestock export sector.

VISION MISSION & VALUES

Our Vision

To become a trusted and recognised agricultural and livestock export company, delivering high-quality products from Thailand to global markets while promoting ethical practices, sustainability, and long-term growth.

Our Core Values

- **Quality Excellence** – We are committed to delivering products that meet strict quality and compliance requirements.
- **Integrity & Transparency** – We conduct our business with honesty, accountability, and clear communication.
- **Animal Welfare** – We prioritise the health, safety, and humane treatment of all livestock.
- **Sustainability** – We support responsible agricultural practices that protect the environment and future generations.
- **Partnership & Growth** – We value strong relationships and shared success with all stakeholders.

Our Mission

- To supply reliable livestock and agricultural products that meet international health, safety, and export standards.
- To uphold strong animal welfare and ethical sourcing practices across all operations.
- To build transparent, long-term partnerships with customers, suppliers, and investors.
- To continuously improve our processes, efficiency, and market reach.

BUSINESS ACTIVITIES

ALIYAH AGRI (THAILAND) CO. LTD conducts its operations across key areas of the agricultural and livestock export value chain, with a strong emphasis on quality, compliance, and ethical practices.

Livestock Export

Export of healthy livestock sourced from trusted farms, conducted in accordance with veterinary health standards and international export regulations.

Agricultural Product Trading

Trading of selected agricultural products, ensuring consistent quality, proper handling, and market suitability.

Animal Feed Supply

Supply of quality animal feed products to support livestock health, nutrition, and overall welfare.

Veterinary & Health Compliance Support

Coordination with licensed veterinary professionals for health checks, inspections, certifications, and animal welfare assurance.

Export Documentation & Logistics Management

Handling export documentation, regulatory approvals, and logistics coordination to ensure smooth and timely delivery to customers.

Through these activities, ALIYAH AGRI (THAILAND) CO. LTD delivers reliable export solutions while maintaining high standards of professionalism, transparency, and sustainability.

PRODUCTS & SERVICES OVERVIEW

ALIYAH AGRI (THAILAND) CO. LTD offers a focused range of livestock and agricultural products supported by professional export and compliance services. Our approach ensures product quality, animal welfare, and smooth delivery to regional and international markets.

Products

- **Livestock for Export**

Supply of healthy livestock sourced from approved farms, managed in line with veterinary health standards and export regulations.

- **Agricultural Products**

Selected agricultural commodities sourced from reliable producers, handled with proper quality control and traceability.

- **Animal Feed Products**

Quality animal feed formulated to support livestock nutrition, growth, and overall well-being.

Services

- **Veterinary Health & Inspection Support**

Coordination of health checks, inspections, and certifications through licensed veterinary professionals.

- **Export Compliance & Documentation**

Preparation and management of export documentation, permits, and regulatory approvals.

- **Logistics & Shipment Coordination**

Planning and coordination of transportation and delivery to ensure timely and secure shipment.

- **Quality Assurance & Handling**

Monitoring of product handling processes to maintain health, safety, and quality standards throughout the supply chain.

EXPORT & SUPPLY CHAIN PROCESS

ALIYAH AGRI (THAILAND) CO. LTD follows a structured and transparent export and supply chain process to ensure product quality, animal welfare, and full compliance with export regulations.

- **Sourcing & Selection**

Livestock and agricultural products are sourced from trusted farms and suppliers that meet quality, health, and ethical standards.

- **Quality Control & Preparation**

Products are monitored, handled, and prepared according to required quality and safety standards prior to shipment.

- **Logistics & Transportation**

Coordination of transportation and shipping arrangements to ensure safe, timely, and efficient delivery.

This end-to-end process allows ALIYAH AGRI (THAILAND) CO. LTD to maintain consistency, reliability, and trust throughout the export supply chain while meeting the expectations of global partners and investors.

- **Health Inspection & Veterinary Control**

All livestock undergo health checks and inspections conducted by licensed veterinary professionals to ensure fitness for export.

- **Export Documentation & Compliance**

All necessary permits, health certificates, and export documents are prepared in compliance with local and international regulations.

- **Delivery to Destination Markets**

Products are delivered to buyers in accordance with agreed specifications and timelines.

QUALITY, HEALTH & COMPLIANCE

ALIYAH AGRI (THAILAND) CO. LTD is committed to maintaining high standards of quality, animal health, and regulatory compliance across all its operations. These principles are central to building trust with buyers, partners, and investors.

Quality Assurance

- Products are sourced only from approved farms and suppliers that meet defined quality standards.
- Handling and preparation processes are monitored to ensure consistency, safety, and suitability for export.
- Continuous quality checks are carried out throughout the supply chain.

Regulatory Compliance

- Full compliance with local and international export regulations is strictly maintained.
- All required health certificates, permits, and export documentation are properly prepared and verified.
- Operations are aligned with veterinary, biosecurity, and trade requirements of destination markets.

Animal Health & Welfare

- Livestock health is prioritised at every stage of the export process.
- Regular veterinary inspections and health assessments are conducted by licensed professionals.
- Humane handling practices are followed to ensure animal welfare and reduce stress.

By integrating quality control, health management, and regulatory compliance, ALIYAH AGRI (THAILAND) CO. LTD ensures reliable export operations while upholding ethical standards and long-term sustainability.

TARGET MARKETS

ALIYAH AGRI (THAILAND) CO. LTD serves both domestic and international markets, focusing on regions with strong demand for quality livestock and agricultural products.

Domestic Market

Within Thailand, the company works with local buyers, distributors, and partners to supply livestock, agricultural products, and animal feed that meet national quality and health standards.

Market Focus

- Markets with strong demand for livestock and agricultural commodities
- Countries with established import regulations and stable trade frameworks
- Long-term trading partners seeking reliable and compliant suppliers

Growth Strategy

The company aims to gradually expand into new export destinations by strengthening compliance capabilities, building strategic partnerships, and responding to market demand trends.

Through a disciplined market selection approach, ALIYAH AGRI (THAILAND) CO. LTD positions itself for sustainable growth while maintaining quality, reliability, and regulatory integrity.

International Export Markets

ALIYAH AGRI (THAILAND) CO. LTD targets selected regional and global markets where demand for ethically sourced livestock and agricultural products is growing. Export activities are aligned with the regulatory and health requirements of each destination country.

MANAGEMENT & KEY PEOPLE

ALIYAH AGRI (THAILAND) CO. LTD is guided by a management team committed to strong governance, ethical business practices, and sustainable growth. The leadership team brings together industry knowledge, operational experience, and a clear strategic vision to drive the company forward.

Managing Director

Provides overall leadership and strategic direction for the company. Responsible for business development, investor relations, and ensuring that all operations align with the company's vision, values, and long-term objectives.

Directors

Support the Managing Director in setting corporate strategy, overseeing governance, and guiding operational and financial performance. Directors play a key role in ensuring transparency, compliance, and sustainable growth.

Veterinary Officer

Oversees animal health, welfare standards, and veterinary compliance. Works closely with suppliers and export authorities to ensure livestock meet all health and certification requirements.

Export Manager

Manages export operations, logistics coordination, and regulatory documentation. Ensures shipments are executed efficiently and in full compliance with destination market requirements.

Through experienced leadership and clearly defined roles, ALIYAH AGRI (THAILAND) CO. LTD maintains operational excellence, regulatory integrity, and a strong foundation for future expansion.

BUSINESS STRENGTHS

ALIYAH AGRI (THAILAND) CO. LTD is built on strong operational fundamentals that support reliability, compliance, and sustainable growth in the agricultural and livestock export sector.

Strong Focus on Quality

Products are sourced and handled according to defined quality standards, ensuring consistency and reliability for buyers and partners.

Regulatory & Export Compliance

Export operations are conducted in full compliance with veterinary, biosecurity, and trade regulations, reducing risk and ensuring smooth cross-border transactions.

Transparent & Ethical Business Practices

The company operates with integrity, clear communication, and accountability, building long-term trust with stakeholders and investors.

These strengths enable ALIYAH AGRI (THAILAND) CO. LTD to deliver dependable export solutions while creating sustainable value for customers and investors.

Commitment to Animal Health & Welfare

Livestock health and humane handling are prioritised through veterinary oversight and responsible management practices.

Reliable Supply Chain Network

Strong relationships with trusted farms, suppliers, veterinary professionals, and logistics partners support stable and scalable operations.

Growth-Oriented Strategy

A clear focus on market expansion, operational improvement, and partnership development positions the company for long-term success.

GROWTH & INVESTMENT OPPORTUNITY

ALIYAH AGRI (THAILAND) CO. LTD is positioned for sustainable growth as global demand for quality livestock and agricultural products continues to increase. The company's focus on compliance, ethical practices, and supply chain reliability provides a strong foundation for expansion.

Growth Strategy

- Expansion into new regional and international export markets with growing demand for livestock and agricultural products.
- Scaling export volumes through strengthened supplier partnerships and improved logistics capacity.
- Broadening product offerings, including value-added agricultural and feed-related products.
- Continuous improvement in operational efficiency, quality control, and compliance systems.

Investment Opportunity

- Opportunity to participate in a growing agricultural and livestock export business with strong market fundamentals.
- Capital investment will support market expansion, working capital requirements, and supply chain development.
- Focus on building long-term, sustainable returns through disciplined growth and responsible operations.

Long-Term Outlook

ALIYAH AGRI (THAILAND) CO. LTD aims to create consistent value for investors by balancing growth with risk management, regulatory compliance, and ethical business practices. Strategic investment will enable the company to strengthen its market position and accelerate its expansion plans.
