# Welcome

**Welcome to Gallant Guard Services Sdn Bhd (GGS Security).**

For more than two decades, we have proudly built a reputation as one of Malaysia's most trusted and dependable security services providers. Since our establishment in 1997, our mission has remained unchanged — to deliver security solutions that are **professional, efficient, and tailored to the evolving needs of our clients**.

At GGS, we believe that true security goes beyond manpower. It requires discipline, experience, advanced technology, and a deep commitment to safeguarding people, property, and assets. Our team consists of **highly trained, carefully screened, and fully certified security professionals** equipped to handle a wide range of environments — from luxury residences and commercial properties to high-risk industrial sites, embassies, educational institutions, and more.

We take pride in delivering services grounded in **integrity, professionalism, and dedication**. Every engagement begins with a thorough assessment of our client's unique requirements, allowing us to design customized, effective, and cost-efficient strategies that address real-world security challenges.

As security threats continue to evolve, so do we. Guided by our motto, **"Innovating Future Security,"** we continuously adopt modern technologies, integrate intelligent systems, and strengthen our operational frameworks to ensure that our clients receive the highest level of protection.

Thank you for taking the time to learn more about GGS Security. We look forward to the opportunity to serve you and to build a long-term partnership based on trust, reliability, and excellence.

# SERVICE DETAILS: STATIC GUARDS

Static Guards are one of the core components of Gallant Guard Services (GGS Security). Our unarmed Malaysian and Nepalese security officers are carefully selected, professionally trained, and fully certified to perform safeguarding duties across residential, commercial, industrial, and high-risk environments.

Our Static Guards provide strong on-site presence and act as a visible deterrent against threats, unauthorized access, and security breaches. They are trained to maintain order, protect property, enforce safety procedures, and respond swiftly to emergencies.

## Minimum Standards for All Guards

Every GGS Security officer must meet the following mandatory criteria:

- **Age Requirement:** 21 – 55 years
- **Education:** Minimum PMR or higher
- **Language Skills:** Able to speak and write in Bahasa Melayu and English
- **Health:** Must pass a complete medical check-up at government clinic/hospital
- **Background Check:** No criminal record

## Training & Competency

All guards undergo comprehensive training before deployment, including:

- Basic security operations
- Emergency response procedures
- Communication protocols
- Fire management & first aid (additional training)
- Understanding of legal rights & responsibilities

They must also pass compulsory screenings by the **Ministry of Home Affairs (KDN)** and the **Royal Malaysia Police (PDRM)**.

## Roles & Responsibilities

Our Static Guards perform:

- Access control & visitor management
- Patrolling and perimeter protection
- Crowd and traffic control
- Incident reporting and documentation
- Asset protection and loss prevention
- Monitoring safety risks and responding to emergencies

## Why Our Static Guards Stand Out

- Professionally uniformed and disciplined
- Well-trained in both prevention and response
- Supported by supervisors and 24/7 control room monitoring
- Reliable, consistent, and customer-focused
- Equipped to operate in any environment, from high-rise buildings to industrial plants

# Service Details: Bodyguards / Close Protection

GGS Security provides highly trained Bodyguards and Close Protection Officers (CPOs) to ensure the personal safety of VIPs, executives, dignitaries, and high-profile individuals. Our protection officers are carefully selected from among former law enforcement professionals, ex-military personnel, and experienced private security specialists, ensuring the highest level of capability and readiness.

Our Close Protection services are built around **proactive threat assessment**, situational awareness, and discreet operational execution. Every officer is trained to identify risks early, neutralize threats, and maintain a protective environment without disrupting the client's daily routine or public engagements.

## Key Strengths of Our Close Protection Officers

- Recruited from elite backgrounds:
  Former police officers, military personnel, and seasoned private security specialists.
- Proactive security approach:
  Officers are trained to detect, assess, and respond to threats *before* they escalate.
- Discreet yet effective:
  Protection is provided with minimal visibility, ensuring client comfort and privacy.
- Fully licensed professionals:
  Many officers possess the Carry & Use (C&U) License issued by the Royal Malaysia Police (PDRM), allowing authorized handling of firearms.

## Core Responsibilities

- Personal escort and physical protection
- Protective surveillance and risk scanning
- Secure movement during travel and events
- Close-range intervention and threat mitigation
- Route planning and advance security surveys
- Emergency response and evacuation assistance
- Coordination with venue security and law enforcement

## Training & Competency Areas

Each Bodyguard / CPO undergoes rigorous training in:

- Defensive tactics & hand-to-hand security
- Firearms handling and qualification
- Advance route planning & convoy movement
- Threat recognition and situational analysis
- Emergency and crisis response
- Executive protection etiquette and conduct
- Communication & coordination protocols

## Industries & Clients Served

Our Close Protection services are suitable for:

- VIPs & High-Net-Worth Individuals
- Corporate Executives
- Foreign Delegates
- Celebrities / Public Figures
- High-risk business environments
- Embassy personnel and diplomatic guests

Our Bodyguards and Close Protection Officers are committed to providing **unmatched safety, confidentiality, and professionalism**, ensuring that every client is protected with precision and respect.

# Service Details: Armed Security Officers

GGS Security deploys **highly trained and fully licensed Armed Security Officers** to protect high-risk environments, valuable assets, and critical operations. Our armed officers uphold the highest level of discipline, legal compliance, and professional standards, ensuring maximum safety for clients requiring enhanced protection.

Every Armed Security Officer is carefully vetted through extensive background checks, criminal screenings, credit checks, and drug testing. Only individuals who demonstrate sound judgment, strong character, and professional integrity are selected to carry out armed duties.

## Licensing & Compliance

All armed officers possess the official Carry & Use (C&U) License issued by the Royal Malaysia Police (PDRM). This ensures that officers are legally authorized and properly trained to carry, handle, and operate firearms responsibly.

They must also complete:

- Mandatory firearms qualification
- Annual re-qualification and competency tests
- Safety & legal compliance training
- Ongoing refresher programs

## Roles & Responsibilities

Armed Security Officers perform critical duties such as:

- Protecting high-value assets and sensitive areas
- Guarding cash rooms, vaults, and restricted zones
- Escorting high-risk transportation operations
- Responding to armed threats and emergencies
- Enforcing strict access control and perimeter protection
- Supporting CIT, escort, and high-security operations

## Training & Capabilities

Our armed officers undergo specialized training in:

- Firearms handling & marksmanship
- Threat identification and tactical response
- Close-range protection drills
- Emergency and crisis management
- Communication protocols and command coordination
- Legal authority and operational limitations

They are equipped to respond decisively in critical situations while maintaining full adherence to Malaysian laws and safety guidelines.

## Why Our Armed Officers Stand Out

- Carefully screened and highly disciplined
- Fully licensed under PDRM
- Trained to manage high-risk and high-pressure scenarios
- Professional appearance and conduct
- Supported by supervisors, control centre, and rapid response teams
- Deployed to banks, industrial facilities, embassies, cash rooms, and other high-security environments

GGS Armed Security Officers deliver **unmatched reliability**, providing strong visible deterrence and rapid protective action to ensure the safety of people, property, and high-value assets.

# SERVICE DETAILS: GUARD DOGS (K9 DIVISION)

The **GGS K9 Division** provides a powerful and highly effective layer of security using professionally trained **Guard Dogs and Handlers**. Our K9 units serve as a strong visual deterrent, enhance perimeter protection, and significantly reduce manpower needs in high-risk or large-area environments.

Each guard dog and handler undergoes intensive training to operate as a unified team capable of delivering rapid response, advanced detection, and full-site protection. This division plays an essential role in safeguarding assets, personnel, and facilities across commercial, industrial, and specialized security locations.

## Capabilities of Our K9 Units

### 1. High Visual Deterrent

K9 teams deter intrusion, theft, and suspicious activities simply by being present. Their visibility reduces potential threats and boosts the overall security posture of a premise.

### 2. Professionally Trained Dogs & Handlers

All dogs and handlers undergo multiple levels of certified training, including:

- Threat identification
- Perimeter and building searches
- Handler protection
- Article tracking
- Find-and-locate skills
- Rapid response in high-risk situations

### 3. Specialized Detection & Patrol

Our dogs are trained in:

- Guarding operations
- Patrol tracking
- Detection tasks based on client needs
- Protecting handlers and clients during emergencies

### 4. Suitable for High-Risk Environments

K9 services are ideal for:

- Industrial plants
- Warehouses & depots
- Construction sites
- Private compounds
- High-value cargo zones
- Large commercial areas

### Dog Breeds in Our K9 Division

We deploy a variety of breeds known for their intelligence, strength, and obedience, including:

- German Shepherd
- Doberman Pinscher
- Rottweiler
- And other specialized working breeds

These dogs are selected for their temperament, discipline, and suitability for security operations.

### Why Choose Our K9 Services

- Strong deterrence and enhanced site protection
- Reduces security manpower requirements
- Fast, effective threat response
- Professionally trained by expert handlers
- Fully integrated into existing security systems
- Ideal for both day and night operations
