MEET OUR CREATIVE TEAM

At KHOKHAR TASK FORCE (M) SDN BHD, our leadership team consists of seasoned professionals with extensive experience in security, defense, and business management. Their strategic vision, expertise, and dedication drive the company's mission to provide top-tier security solutions. Below are the key leaders who are guiding our company towards continued success:

DATO' ROSHAIMI BIN ZAKARIA

Lieutenant General RMAF (Retired)

Shareholder & Director

DATO' ROSHAIMI BIN ZAKARIA is a distinguished senior defence executive with more than four decades of leadership experience across military aviation, national defence policy, strategic planning, human capital governance, and international peace operations. Throughout his 42-year career in the Royal Malaysian Air Force (RMAF) and Malaysian Armed Forces, he played a pivotal role in strengthening operational readiness, advancing organisational transformation, and enhancing multinational defence cooperation. His leadership style combines strategic foresight, disciplined execution, and diplomatic engagement, enabling effective decision-making in complex, high-stakes, and multi-stakeholder environments.

He began his military career in 1981 as a fighter pilot in Kuantan before progressing to become an Instructor Pilot, where he provided advanced operational flying instruction and developed structured pilot training programmes. He subsequently commanded several operational squadrons, leading more than 150 personnel while ensuring mission readiness, operational effectiveness, and strict safety compliance. He later assumed command as Commanding Officer of RMAF Butterworth.

Dato' Roshaimi later served as Principal Assistant Secretary in the Policy Division of the Ministry of Defence, where he was responsible for formulating and managing national airspace and defence policies. In this role, he represented Malaysia at ASEAN Defence Ministers' Meetings and the United Nations Human Rights Council, while also coordinating VIP liaison for major international defence exhibitions, including LIMA 2009, 2011, and 2013.

He subsequently held the appointment of Director of Human Resources at RMAF Headquarters, overseeing workforce planning, talent management, succession planning, and officer development initiatives, including international military training placements.

In 2015, he was appointed Deputy Head of Mission for the International Monitoring Team in Mindanao, where he led multinational ceasefire monitoring operations and supported peacebuilding and humanitarian initiatives in a sensitive post-conflict environment. In 2016, he became Deputy Commander of the Integrated Area Defence System in Butterworth, directing multinational exercises under the Five Power Defence Arrangements and strengthening regional defence interoperability.

From 2018 to 2020, he served as Assistant Chief of Staff (Defence Planning) at Malaysian Armed Forces Headquarters, leading defence capability planning, budget formulation, and organisational restructuring efforts aimed at improving institutional efficiency and operational preparedness.

He concluded his distinguished military career as Commander of the Air Education and Training Command at RMAF Sendayan from 2020 to 2021, holding the rank of Lieutenant General RMAF. In this capacity, he oversaw national-level military education and training institutions, managed approximately 7,000 staff and trainees annually, and reinforced the integration of leadership, ethics, and international humanitarian law within military training doctrine.

MEET OUR
CREATIVE TEAM

At KHOKHAR TASK FORCE (M) SDN BHD, our leadership team consists of seasoned professionals with extensive experience in security, defense, and business management. Their strategic vision, expertise, and dedication drive the company's mission to provide top-tier security solutions. Below are the key leaders who are guiding our company towards continued success:

COLONEL DATO' RAMLI BIN ABU BAKAR (RETIRED)

Shareholder & Director

Colonel Dato' Ramli is a retired army officer with a long and illustrious career in the Malaysian Armed Forces. He served in various battalions and held significant roles in military operations and training. His leadership extends to public service, having authored books on military and defense topics. Dato' Ramli's expertise in strategic defense, operations management, and leadership enables KHOKHAR TASK FORCE to implement structured, high-security protocols with a strong emphasis on discipline and strategic protection.

NOR AIDAH BINTI HASAN

Shareholder & Director

Nor Aidah brings a wealth of experience in architecture and technical design to the team. With a strong background in drafting, architectural design, and project coordination, she has worked with renowned architectural firms to deliver precise, effective solutions. Her meticulous attention to detail and ability to manage large-scale projects are instrumental in overseeing the operational aspects of KHOKHAR TASK FORCE, ensuring that all security solutions are executed with technical precision and efficiency.

RONIT RAJ MASIH

Shareholder & Director

Ronit Raj is a dynamic business professional with a background in business administration and management. With experience in the security services industry, he specializes in the recruitment and deployment of security personnel. His expertise in operational planning, personnel management, and business law strengthens the company's operational capabilities and ensures compliance with industry regulations. Ronit's forward-thinking approach allows KHOKHAR TASK FORCE to maintain a competitive edge in the rapidly evolving security sector.

ACCESS CONTROL & VISITOR MANAGEMENT

At KHOKHAR TASK FORCE (M) SDN BHD, our Access Control and Visitor Management services are designed to regulate entry, enhance security, and ensure accountability across your premises. We implement robust systems and procedures that allow only authorized personnel to access designated areas, maintaining a safe and controlled environment.

Our trained security personnel manage entry points with professionalism, verifying identities, issuing visitor passes, and maintaining accurate records of all entries and exits. This disciplined process not only prevents unauthorized access but also ensures a smooth and well-managed visitor experience.

By combining modern access control technology with strict security procedures, we provide seamless security oversight, reduce operational risks, and strengthen the overall protection of your property, assets, and people.

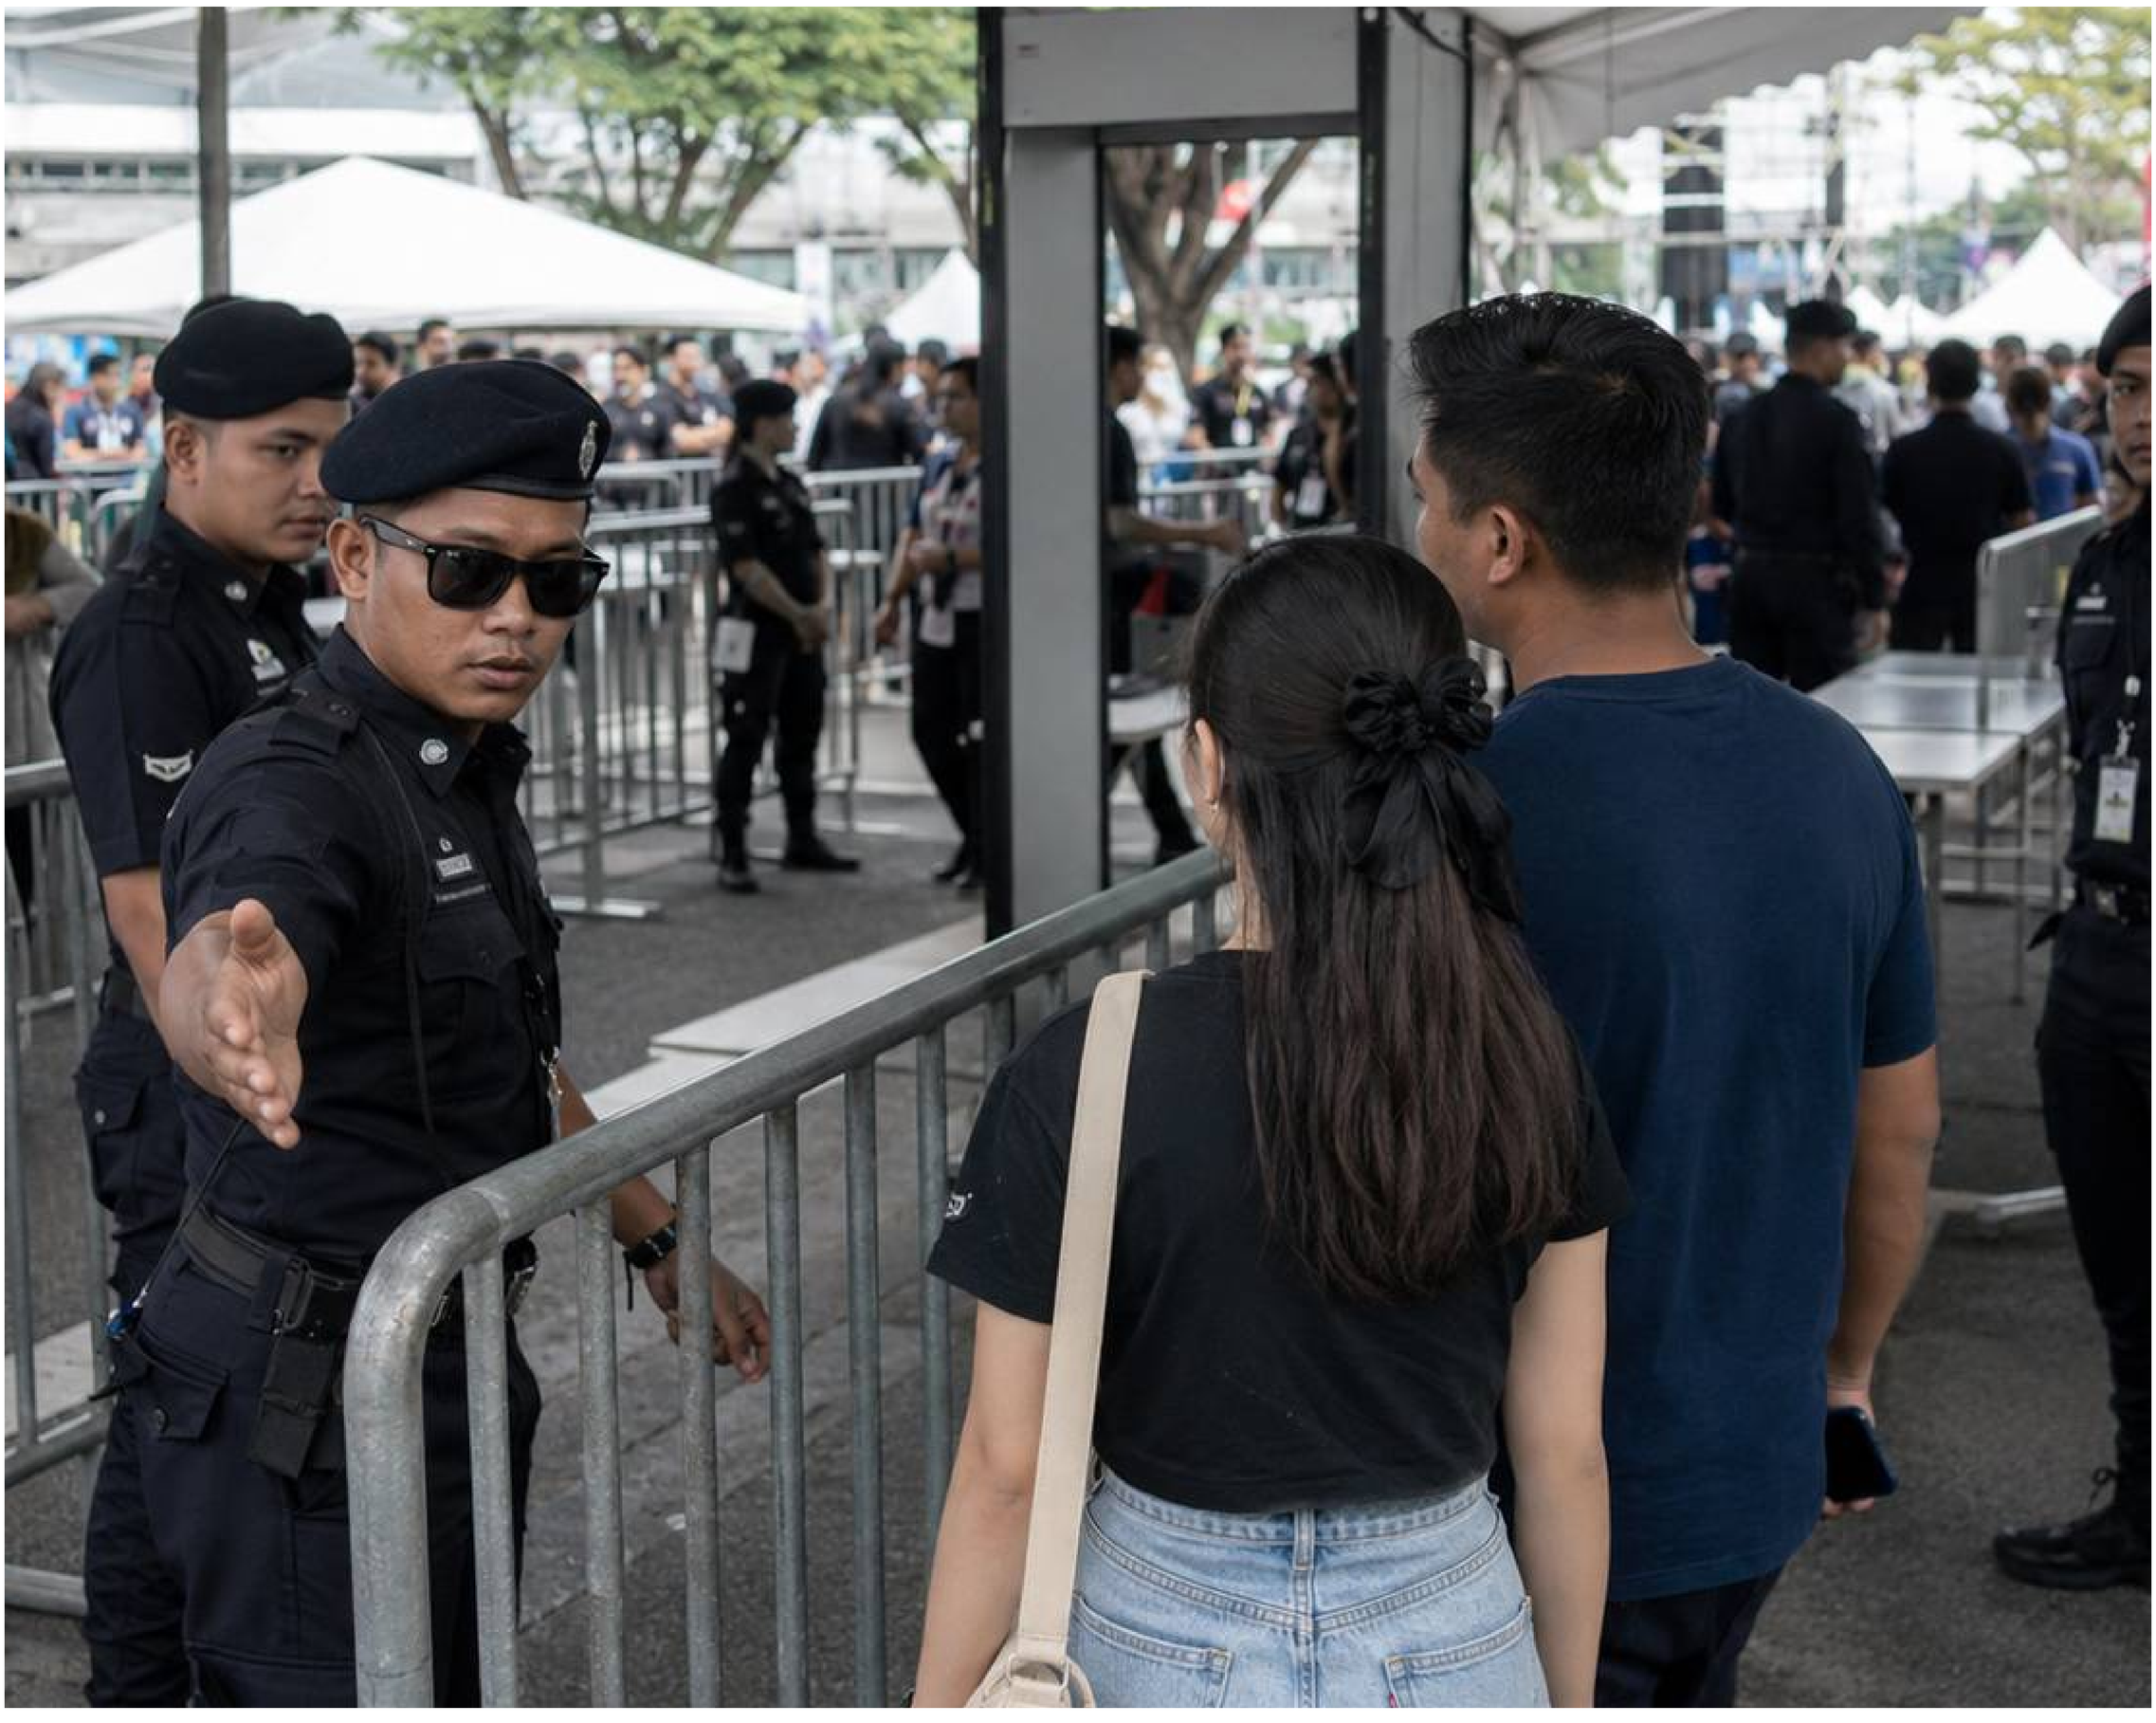

Whether for corporate offices, industrial facilities, or residential complexes, our access control and visitor management solutions are tailored to meet your specific needs and ensure a secure and orderly environment at all times.

MOBILE SECURITY PATROL & MANNED GUARDING SERVICES

At KHOKHAR TASK FORCE (M) SDN BHD, our Mobile Security Patrol and Manned Guarding services provide active, on-site protection to ensure the safety of your premises, personnel, and assets. Our security officers conduct systematic patrols of designated areas, monitoring for suspicious activities and identifying potential risks before they escalate.

Our manned guarding services offer a constant security presence, giving clients peace of mind that their property is continuously monitored. In case of any incident, our officers respond immediately and coordinate with relevant authorities when necessary.

Through strategic deployment, vigilant supervision, and real-time reporting, we ensure that all assigned areas are secure and that our security solutions are both effective and efficient. Whether for corporate offices, industrial facilities, residential complexes, or high-risk sites, our patrol and guarding services are tailored to meet your unique security requirements.

EVENT & CROWD MANAGEMENT SECURITY

At KHOKHAR TASK FORCE (M) SDN BHD, we provide professional event and crowd management security services to ensure the safety and smooth operation of any gathering, from corporate events to large-scale public functions.

Our team conducts comprehensive risk assessments before each event, identifying potential hazards and planning proactive security measures. We establish temporary control centers on-site to oversee operations, coordinate real-time communication, and manage any incidents efficiently.

By collaborating closely with event organizers, law enforcement, and relevant authorities, we ensure a safe, controlled, and well-organized environment for all participants. Our vetted and trained security personnel are ready to be deployed at short notice, offering flexible, responsive, and professional security solutions tailored to the scale and complexity of each event.

With KHOKHAR TASK FORCE, event organizers can focus on the success of their event, confident that crowd safety and security are fully managed by experts.

CORPORATE & INDUSTRIAL SECURITY SOLUTIONS

At KHOKHAR TASK FORCE (M) SDN BHD, we provide comprehensive security solutions for corporate offices, industrial facilities, warehouses, and high-value operational sites. Our services are designed to safeguard personnel, assets, and infrastructure while ensuring smooth and uninterrupted business operations.

Our trained security personnel manage access control, perimeter security, internal patrols, and emergency response, tailored to the unique requirements of each facility. We focus on preventing unauthorized access, reducing operational risks, and maintaining a secure working environment.

By combining disciplined security procedures, proactive risk management, and modern technology, we deliver reliable solutions that support business continuity, operational efficiency, and long-term protection. Whether for large corporate complexes or high-risk industrial sites, our services ensure peace of mind and total security coverage.

RISK ASSESSMENT & SECURITY CONSULTATION

At KHOKHAR TASK FORCE (M) SDN BHD, we provide expert risk assessment and security consultation services to help clients identify vulnerabilities, assess potential threats, and implement tailored protection strategies.

Our approach includes comprehensive on-site evaluations of premises, operational processes, and existing security measures to detect risks, gaps, and areas of exposure. Based on these assessments, we provide practical recommendations and customized solutions to strengthen security, improve preparedness, and mitigate threats effectively.

By combining industry experience, expert analysis, and proactive planning, we help our clients enhance their security posture, safeguard assets, and ensure long-term operational confidence.
