CHAIRMAN / --- DIRECTOR'S MESSAGE

On behalf of the Board of Directors, I am pleased to present the Company Profile of MCC PRO ARMS SDN. BHD.

MCC PRO ARMS SDN. BHD. was incorporated under the Companies Act 2016 with a clear purpose—to establish a disciplined, compliant, and professionally managed organisation capable of delivering reliable services within the trading, technical, and arms-related support sectors. From the outset, the company has been founded on principles of integrity, accountability, safety, and operational excellence.

Our vision is to build a trusted Malaysian company that operates responsibly within regulated environments, supported by strong governance and practical expertise. We recognise that businesses operating in sensitive and controlled industries demand the highest standards of compliance, risk management, and professionalism. As such, MCC PRO ARMS SDN. BHD. is committed to adhering strictly to all applicable laws, regulatory requirements, and industry best practices.

The strength of our organisation lies in its people. Our team is supported by extensive hands-on experience, including military service, technical supervision, training, and international operational exposure. This depth of experience enables us to approach every engagement with discipline, precision, and a strong understanding of safety and responsibility.

As we move forward, our focus remains on building long-term relationships with government agencies, defence and security organisations, and strategic partners. We are committed to continuous improvement, capability development, and delivering value through reliable and professional services.

We thank our stakeholders for their trust and confidence, and we look forward to contributing positively to the industry and the nation through ethical, responsible, and sustainable business practices.

The Board of Directors
MCC PRO ARMS SDN. BHD.

ABOUT --- OUR COMPANY

MCC PRO ARMS SDN. BHD. is a Malaysian private limited company incorporated under the Companies Act 2016 on 3 December 2025. The company is established to operate as a professionally managed organisation engaged in general trading, technical services, and regulated support activities, with a strong emphasis on compliance, safety, and operational discipline.

The company's core business activities include trading, importing, exporting, distributing, and acting as commission agents for a wide range of goods and merchandise, in accordance with applicable laws and regulatory requirements. In addition, MCC PRO ARMS SDN. BHD. is positioned to provide technical support services, supervision, and training-related activities within controlled and specialised environments.

MCC PRO ARMS SDN. BHD. is guided by a governance-driven approach, supported by experienced leadership and personnel with strong backgrounds in military service, technical supervision, and professional training. This foundation enables the company to operate responsibly in sectors where precision, risk management, and regulatory adherence are critical.

The company places strong emphasis on integrity, professionalism, and accountability in all its operations. By maintaining strict internal controls and aligning its business practices with recognised industry standards, MCC PRO ARMS SDN. BHD. seeks to build long-term relationships with government agencies, defence and security organisations, and strategic partners.

As a growing Malaysian enterprise, MCC PRO ARMS SDN. BHD. remains committed to continuous improvement, capability development, and delivering reliable services that meet the expectations of stakeholders while contributing positively to the industry and the nation.

Vision, Mission and Core Values

VISION

To become a trusted and professionally managed Malaysian company, recognised for excellence in regulated trading, technical services, and arms-related support through disciplined operations, strict compliance, and a strong commitment to safety, integrity, and national responsibility.

MISSION

- To deliver reliable and compliant services in trading, technical supervision, training, and support activities in accordance with all applicable laws and regulations.
- To uphold the highest standards of safety, discipline, and professionalism in all operations, particularly within controlled and regulated environments.
- To develop and maintain strong partnerships with government agencies, defence and security organisations, and authorised stakeholders through trust and consistent performance.
- To continuously enhance organisational capabilities, technical expertise, and operational efficiency to meet evolving industry requirements.
- To conduct business ethically and responsibly while contributing positively to national development and industry standards.

CORE VALUES

Integrity

We conduct our business with honesty, transparency, and accountability, ensuring ethical practices in every engagement.

Safety

We prioritise safety in all activities, ensuring the protection of people, assets, and the environment through disciplined operational practices.

Discipline

We apply structured processes, clear accountability, and operational control in all aspects of our work.

Compliance

We strictly adhere to all legal, regulatory, and industry requirements, recognising the importance of responsibility in regulated operations.

Professionalism

We maintain high standards of competence, discipline, and conduct, reflecting our commitment to excellence in service delivery.

Continuous Improvement

We are committed to learning, innovation, and capability development to enhance performance and long-term sustainability.

LEGAL STRUCTURE & COMPLIANCE

MCC PRO ARMS SDN. BHD. is a private company limited by shares, duly incorporated in Malaysia under the Companies Act 2016 (Act 777). The company operates within the legal framework established by Malaysian statutory authorities and is governed by its Memorandum and Articles of Association, as well as applicable corporate governance requirements.

The company's legal structure provides a clear separation of ownership, management, and operational responsibilities, ensuring transparency, accountability, and effective oversight by the Board of Directors. Shareholding, directorship, and secretarial appointments are properly registered and maintained in accordance with statutory obligations.

MCC PRO ARMS SDN. BHD. places strong emphasis on regulatory compliance, particularly in areas involving controlled, technical, and regulated activities. All business operations are conducted subject to relevant laws, guidelines, approvals, and licences as required by Malaysian authorities. The company recognises the importance of operating responsibly in regulated environments and adopts a risk-aware approach to governance and operations.

To support compliance, the company:

- Maintains proper statutory records and filings with the relevant authorities
- Engages a qualified and registered Company Secretary to ensure ongoing corporate compliance
- Implements internal controls and procedures to support lawful and ethical business practices
- Ensures that all engagements involving regulated goods or services are subject to applicable approvals and conditions

MCC PRO ARMS SDN. BHD. is committed to conducting its business in a manner that upholds legal integrity, ethical standards, and national regulatory requirements, thereby protecting the interests of its stakeholders and reinforcing trust with government agencies, partners, and clients.

BOARD OF DIRECTORS

The Board of Directors of MCC PRO ARMS SDN. BHD. provides strategic leadership, governance oversight, and direction to ensure that the company operates in accordance with applicable laws, regulatory requirements, and recognised standards of corporate governance. The Board is collectively responsible for setting the company's strategic objectives, overseeing management performance, and safeguarding the interests of stakeholders.

CHAI MIN CHIN

Director

Chai Min Chin is a Director of MCC PRO ARMS SDN. BHD. and is involved in overseeing the company's strategic direction and business development activities. With a focus on governance, compliance, and operational sustainability, he contributes to ensuring that the company is managed responsibly and in alignment with its long-term objectives.

NIK FAHMI BIN NIK MAT

Director

Nik Fahmi bin Nik Mat is a Director of MCC PRO ARMS SDN. BHD. and plays an active role in guiding the company's operational and strategic initiatives. He is committed to upholding professional standards, regulatory compliance, and disciplined operational practices, particularly in regulated and controlled business environments.

BOARD RESPONSIBILITIES

The Board of Directors is responsible for:

- Establishing the company's vision, mission, and strategic direction
- Ensuring compliance with the Companies Act 2016 and other applicable regulations
- Overseeing risk management and internal control systems
- Approving key policies, business plans, and major corporate decisions
- Upholding ethical standards, accountability, and transparency

Through collective experience and a strong governance framework, the Board of Directors of MCC PRO ARMS SDN. BHD. is committed to guiding the company toward sustainable growth, operational excellence, and long-term value creation.

MANAGEMENT & KEY PERSONNEL

The management team of MCC PRO ARMS SDN. BHD. is responsible for the day-to-day operations, strategic execution, and operational governance of the company. MCC PRO ARMS SDN. BHD. provides expert weapons maintenance and supervision services to ensure the operational efficiency, safety, and compliance of firearms and tactical equipment. Our services are tailored to meet the stringent requirements of both government and commercial sectors.

Key Services Include:

- Routine Maintenance: Scheduled inspections and servicing to ensure firearms and equipment perform at optimal levels.
- Repairs & Reconditioning: Timely and professional repair services for all types of firearms and tactical gear.
- Safety Compliance: Ensuring all weapons meet national and international safety standards.
- Technical Supervision: On-site supervision to monitor weapon systems and ensure correct usage and handling.
- Regulatory Adherence: Full compliance with local and international laws governing firearms and tactical equipment.

Our team of trained professionals, with military-grade expertise, is committed to maintaining the highest levels of safety and operational readiness.

TRAINING & SHOOTING SERVICES

MCCPROARMSSDN.BHD.offerscomprehensivetrainingandshooting services designed to enhance the proficiency, safety, and operational readiness of personnel using firearms and tactical equipment. Our services cater to both individuals and organisations in the defence, security, and law enforcement sectors.

Key Services Include:

- Firearms Training: Instruction on the safe handling, operation, and maintenance of firearms, tailored to different skill levels.
- Tactical Shooting Courses: Advanced shooting courses focusing on tactical operations, including close-quarters combat and precision shooting.
- Safety and Compliance Training: Ensuring that all personnel are fully trained on safety protocols and legal requirements for firearms use.
- Customised Training Programs: Tailored courses for specific needs, from basic training to advanced combat drills.
- Live-Fire Drills & Simulations: Real-world shooting scenarios to build skills under pressure, ensuring readiness for operational environments.

Our experienced trainers, with backgrounds in military and law enforcement, deliver top-tier education to guarantee safe, skilled, and compliant firearm operations.

TECHNICAL CONSULTANCY SERVICES

MCC PRO ARMS SDN. BHD. offers specialised technical consultancy services for arms and tactical operations, providing expert advice to enhance operational efficiency, compliance, and safety standards. Our consultancy services are tailored to government agencies, law enforcement, and private sector organisations.

Key Services Include:

- **Arms and Equipment Consultation:** Expert advice on selecting, maintaining, and deploying firearms and tactical equipment.
- **Operational Readiness Assessment:** Evaluation of current operations and recommendations for improving efficiency, safety, and compliance.
- **Regulatory Compliance:** Guidance on navigating and adhering to national and international arms regulations.
- **Safety Protocol Development:** Assistance in creating safety procedures and training materials to ensure the safe handling and operation of firearms.
- **Training Program Design:** Development of customised training programs that align with operational requirements and safety standards.

Our team of experienced consultants brings military-grade expertise and a deep understanding of arms regulations, ensuring that every recommendation meets the highest standards of safety and compliance.

TECHNICAL EXPERTISE OVERVIEW

At MCC PRO ARMS SDN. BHD., our technical expertise is rooted in military-grade experience and a deep understanding of firearms, tactical operations, and equipment maintenance. We bring decades of operational know-how to every project, ensuring the highest standards of performance, safety, and compliance.

KEY SERVICES INCLUDE:

- **Weapons Maintenance & Supervision:** Expert knowledge in the care, inspection, and operational readiness of firearms and tactical equipment.
- **Firearms Safety & Handling:** Proficient in the development and delivery of safety protocols for firearms use in various operational contexts.
- **Tactical Operations:** Expertise in tactical training, combat readiness, and the application of shooting techniques in real-world scenarios.
- **Regulatory Compliance:** In-depth understanding of national and international firearms laws, ensuring that all operations adhere to legal and regulatory requirements.
- **Operational Support & Consultancy:** Providing strategic advice on operational efficiency, risk management, and safety enhancements for defence and security sectors.

Our highly skilled team is equipped to deliver comprehensive technical services that support mission success and operational excellence.

KEY TECHNICAL EXPERT PROFILE

Yusliana binti Mohd Yusof

Arms Maintenance Supervisor & Technical Expert

Yusliana binti Mohd Yusof is a highly experienced Arms Maintenance Supervisor with over 21 years of service in the Malaysian Armed Forces. She possesses extensive expertise in the maintenance, repair, and operational readiness of firearms and tactical equipment, backed by her certification in Sijil Kemahiran Malaysia (SKM) at Level 3 in Weapons Maintenance.

Key Services Include:

- **Arms Maintenance & Supervision:** Specialised in the inspection, maintenance, and repair of various firearms and military-grade equipment, ensuring optimal performance and safety.
- **Military Training:** Expertise in delivering firearms safety training and operational readiness programs for personnel, with a strong focus on compliance and safety protocols.
- **International Exposure:** Served on a UN Peacekeeping mission in Lebanon (2021-2022), further enhancing her operational readiness in international peacekeeping environments.
- **Awards & Recognition:** Recognised with multiple Service Excellence awards and military commendations for outstanding service and dedication.

Yusliana's military background and technical expertise make her an invaluable asset to MCC PRO ARMS SDN. BHD., ensuring that all arms and tactical operations are carried out with the highest standards of safety, compliance, and operational excellence.

PROFESSIONAL CERTIFICATIONS

At MCC PRO ARMS SDN. BHD., we value continuous professional development and compliance with industry standards. Our key personnel hold a range of certifications and qualifications that ensure the highest levels of expertise and adherence to regulatory requirements.

Key Services Include:

- Sijil Kemahiran Malaysia (SKM) Level 3
- Weapons Maintenance Supervisor
 - Certified by RPEL Perhebat, Malaysia
 - Recognised for expertise in firearms maintenance, repair, and supervision at advanced technical levels.

- Certified Firearms Safety Instructor
 - Specialized in firearms safety protocols, handling techniques, and training methodologies for military and law enforcement personnel.
- UN Peacekeeping Certification UNIFIL Mission (Lebanon, 2021-2022)
 - Recognised for exemplary performance in peacekeeping operations and weapons handling in international missions.
- Military Service Excellence Awards
 - Pingat Perkhidmatan Am 1 (2005)
 - Pingat Perkhidmatan Setia 1 & 2 (2019, 2022)
 - Anugerah Perkhidmatan Cemerlang (APC, 2019)

These certifications represent our team's commitment to professional growth and industry leadership in arms maintenance, firearms safety, and tactical training.

SHOOTING & COMPETITIVE ACHIEVEMENTS

MCC PRO ARMS SDN. BHD. takes pride in the competitive shooting achievements of its key personnel, who bring world-class expertise to the company's training and operational services. Our team's accomplishments in shooting competitions showcase their proficiency, discipline, and commitment to excellence.

Key Achievements:

- Bronze Medal – PPC WA 1500 Shooting Event, Southeast Asia Shooting Championship (Philippines, 2019)
- Bronze Medal – PPC WA 1500, Southeast Asia Shooting Championship (Indonesia, 2019)
- Silver Medal – ShootOff Event, International Practical Shooting Confederation (IPSC), Panglima Tentera Laut Cup (Lumut, Perak, 2019)
- Top 20 – Production Division, IPSC RMP Open Championship Level III (Putrajaya, 2023)
- UN Peacekeeping Service Medal – UNIFIL Mission in Lebanon (2021-2022)

These competitive achievements underscore our team's commitment to precision, focus, and professionalism, forming a strong foundation for the high-level training and tactical shooting services we provide to our clients.

TRAINING & COACHING EXPERIENCE

MCC PRO ARMS SDN. BHD. is committed to providing high-quality training and coaching services that enhance the skills, safety, and operational readiness of personnel. Our team brings extensive training and coaching experience in firearms safety, tactical shooting, and arms maintenance.

Key Training & Coaching Experience:

- **Firearms Safety Training:** Conducting comprehensive courses on safe firearms handling, operation, and storage for military, law enforcement, and private sector clients.
- **Advanced Tactical Shooting Courses:** Delivering specialized training on tactical shooting, combat techniques, and live-fire drills to enhance operational preparedness.
- **Arms Maintenance Supervision:** Training personnel in preventive maintenance, repair techniques, and inspection procedures for firearms and tactical equipment.
- **UN Peacekeeping Mission (Lebanon):** Provided training and operational readiness support during the UN Peacekeeping mission, with a focus on weapons handling and safety compliance in an international context.
- **Military & Civilian Training:** Extensive coaching experience with military units, security agencies, and civilians on both basic and advanced firearms techniques.

Our training programs are designed to ensure that all participants are equipped with the necessary skills and knowledge to perform safely and efficiently in any operational environment.

OPERATIONAL WORKFLOW

MCC PRO ARMS SDN. BHD. follows a structured and disciplined operational workflow to ensure the highest standards of safety, efficiency, and compliance across all activities. Our workflow is designed to meet the needs of government, defence, and security sectors while maintaining operational excellence.

Key Stages of Our Operational Workflow:

1. Initial Consultation & Assessment

- Understand client requirements and operational objectives.
- Conduct assessments to identify specific needs related to arms maintenance, training, or technical consultancy.

2. Service Planning & Customisation

- Develop a tailored solution based on client needs and industry standards.
- Define project timelines, resources, and safety protocols.

3. Execution & Implementation

- Weapons Maintenance: Conduct detailed inspections, repairs, and preventive maintenance.
- Training: Deliver customised training programs, including live-fire drills and technical coaching.
- Consultancy: Provide expert advice and strategic guidance on arms handling, compliance, and operational readiness.

4. Ongoing Support & Monitoring

- Provide continuous support and supervision during operations to ensure compliance and efficiency.
- Regular monitoring and assessments to ensure all systems are functioning optimally.

5. Reporting & Documentation

- Provide detailed reports on all services delivered, including inspection records, maintenance logs, and training progress.
- Maintain thorough documentation to ensure compliance with industry regulations.

6. Feedback & Continuous Improvement

- Collect client feedback to assess satisfaction and identify areas for improvement.
- Implement process enhancements based on feedback to ensure ongoing operational excellence.

SAFETY & RISK MANAGEMENT

At MCC PRO ARMS SDN. BHD., we prioritise safety and risk management in every aspect of our operations. We understand that working with arms and tactical equipment requires strict adherence to safety protocols and risk mitigation strategies to protect personnel, assets, and the environment.

Key Safety & Risk Management Practices:

1. Compliance with Safety Regulations

- Adhere to all local and international firearms safety regulations and industry standards.
- Regular updates to safety protocols based on evolving legal requirements and operational best practices.

2. Risk Assessment & Mitigation

- Conduct comprehensive risk assessments before, during, and after every operation.
- Identify potential hazards in firearms handling, maintenance, and training scenarios.
- Implement mitigation strategies to reduce risks, including safe equipment handling, operational controls, and emergency response plans.

3. Training & Safety Protocols

- Provide safety training for all personnel involved in firearms operations, including safe handling and emergency procedures.
- Continuous skills refresher courses to maintain safety awareness and ensure compliance with safety protocols.

5. Emergency Response & Incident Management

- Clearly defined emergency response plans for all operational activities, including medical emergencies, accidents, and equipment malfunctions.
- Immediate incident reporting and investigation to identify causes and prevent future occurrences.

4. Operational Safety Monitoring

- On-site supervision during maintenance, training, and shooting operations to ensure safety standards are followed.
- Use of safety equipment (e.g., ear protection, eye protection, safety barriers) to mitigate risk during live-fire drills and tactical operations.

6. Safety Audits & Compliance Checks

- Regular audits and compliance checks to ensure safety standards are consistently met.
- Third-party inspections where necessary to verify adherence to safety practices and regulatory requirements.

QUALITY ASSURANCE

At MCC PRO ARMS SDN. BHD., quality assurance is integral to our operations. We are committed to delivering the highest standards in every service we provide, ensuring that all firearms maintenance, training, and tactical operations meet industry regulations, client expectations, and safety standards.

Key Quality Assurance Practices:

1. Adherence to Industry Standards

- Strict compliance with national and international quality standards for firearms and tactical equipment.
- Regular updates to processes and procedures to align with the latest industry best practices and regulations.

3. Trained & Certified Personnel

- All personnel involved in maintenance, training, and supervision are highly trained and certified to ensure the highest level of competency.
- Ongoing training programs ensure our team stays current with evolving technologies, safety protocols, and quality requirements.

5. Regular Audits & Compliance Checks

- Internal and external audits are conducted regularly to evaluate the effectiveness of our quality management system.
- Compliance checks ensure that all services provided adhere to the company's safety, quality, and regulatory standards.

2. Comprehensive Inspection & Testing

- Every firearm and piece of equipment undergoes rigorous inspection before and after maintenance.
- Performance testing is conducted to ensure all equipment meets operational readiness standards.

4. Client-Specific Customisation

- Services are tailored to meet the unique needs of each client, ensuring solutions are effective, compliant, and aligned with operational requirements.
- Feedback loops are established to ensure continuous improvement based on client input.

6. Continuous Improvement

- We encourage a culture of continuous improvement, actively seeking ways to enhance service quality, efficiency, and client satisfaction.
- Regular reviews and process evaluations lead to the implementation of best practices and innovative solutions.

EQUIPMENT HANDLING PROCEDURES

At MCC PRO ARMS SDN. BHD., the safe and efficient handling of firearms and tactical equipment is a core focus. We adhere to the highest standards of safety, regulatory compliance, and operational efficiency in every step of the equipment handling process.

Key Equipment Handling Procedures:

1. Inspection & Assessment

- Pre-use inspection to verify the operational condition of all firearms and tactical equipment.
- Assessment of compliance with safety standards, ensuring that all equipment is free from defects and meets the required operational specifications.

3. Maintenance & Servicing

- Regular preventive maintenance to ensure that equipment remains in optimal condition and ready for use.
- Repairs and reconditioning are performed as needed, following established guidelines to restore equipment to full functionality.

5. Training in Equipment Handling

- Personnel receive comprehensive training in proper handling techniques, ensuring that all equipment is used safely and effectively.
- Ongoing refresher courses to maintain a high level of proficiency and safety awareness among staff.

2. Safe Handling Protocols

- Strict adherence to firearms safety protocols to ensure that all equipment is handled by trained and certified personnel.
- Proper storage techniques are used to keep firearms and tactical equipment secure and in good condition when not in use.

4. Transportation & Storage

- Firearms and tactical equipment are properly secured during transport to prevent damage and ensure safety.
- Storage areas are equipped with locking systems, safety barriers, and other measures to ensure safe and secure storage of all equipment.

6. Regulatory Compliance

- All equipment handling procedures comply with local and international regulations, ensuring that all firearms and tactical gear are managed according to legal requirements.
- Regular audits to ensure adherence to equipment handling and safety standards.

TARGET MARKET

MCC PRO ARMS SDN. BHD. serves a wide range of clients within the defence, security, and law enforcement sectors. Our services are designed to meet the specific needs of organisations requiring high-quality arms maintenance, technical support, and tactical training.

Primary Target Markets:

1. Government Agencies

- Defence Ministries, National Security Agencies, and other government bodies involved in armed forces and law enforcement operations.
- Provide expert services to ensure the operational readiness and compliance of government-owned firearms and tactical equipment.

2. Military & Defence Contractors

- Companies and organisations in need of specialised maintenance services, weapons training, and technical consultancy to support military operations and defence contracts.

3. Law Enforcement & Security Agencies

- Police Forces, Border Security, and Private Security Contractors requiring training, weapon inspections, and safety compliance services.

4. Private Sector & Commercial Clients

- Private organisations seeking consultancy on firearms handling and safety protocols, as well as businesses in the sporting arms and security services sectors.

5. International Peacekeeping & NGOs

- Organisations involved in international peacekeeping missions, requiring firearms training and equipment maintenance in challenging operational environments (e.g., UN Peacekeeping Missions).

COMPETITIVE STRENGTHS

MCC PRO ARMS SDN. BHD. stands out in the market due to our unwavering commitment to excellence, compliance, and professionalism in the arms and tactical services industry. Our competitive strengths are built on years of expertise, technical knowledge, and a strong reputation for delivering safe, reliable, and high-quality services.

Key Competitive Strengths:

1. Expertise in Military & Tactical Operations

- Our team includes highly experienced professionals with military service and international operational exposure, providing us with unmatched expertise in arms maintenance and tactical training.

2. Comprehensive Service Offering

- We offer end-to-end solutions, including weapons maintenance, technical consultancy, firearms safety training, and operational support, ensuring that all client needs are met through a single point of contact.

3. Compliance with Industry Standards

- We adhere to strict safety protocols, national, and international regulations, ensuring all our services are fully compliant with the highest industry standards.

4. Experienced and Certified Personnel

- Our staff are trained, certified, and highly qualified, with extensive experience in both military and civilian operations, making us a trusted partner for sensitive and regulated operations.

5. Customised Solutions for Diverse Clients

- We tailor our services to meet the specific needs of each client, from government agencies to private security firms, offering flexibility and personalisation in all engagements.

6. Strong Reputation & Client Trust

- With a proven track record of successfully supporting defence contractors, security agencies, and international peacekeeping missions, we have established a reliable and trusted reputation in the industry.

7. Continuous Improvement & Innovation

- We are committed to continuous learning and innovation, always seeking new ways to enhance our services, improve operational efficiency, and stay ahead of industry trends.

STRATEGIC PARTNERSHIPS

At MCC PRO ARMS SDN. BHD., we recognise the value of strong partnerships in driving mutual growth, innovation, and operational success. We actively seek to collaborate with industry leaders, government agencies, defence contractors, and other key stakeholders to enhance our service offerings and broaden our market reach.

Key Strategic Partnerships:

1. Government Agencies & Defence Contractors

- We collaborate with military and law enforcement agencies, providing maintenance, training, and technical consultancy to ensure the operational readiness of arms and tactical equipment used by government personnel.

2. Security & Law Enforcement Agencies

- We partner with private security firms and law enforcement agencies to offer tailored firearms safety training and weapons maintenance services, meeting the specific needs of both commercial and public-sector security operations.

3. International Peacekeeping Organisations

- Our partnerships with international organisations, including the United Nations and other peacekeeping missions, allow us to deliver comprehensive arms training and tactical support in challenging and high-risk environments.

4. Industry Associations & Regulatory Bodies

- We engage with industry associations and regulatory bodies to stay at the forefront of safety standards, compliance requirements, and best practices in the firearms and tactical services industry.

5. Technology & Equipment Providers

- Strategic collaborations with leading technology and equipment manufacturers ensure that our services are supported by the latest innovations and the most reliable tactical gear and firearms on the market.

GROWTH STRATEGY

MCC PRO ARMS SDN. BHD. is committed to sustainable growth and long-term success. Our growth strategy focuses on expanding our market presence, enhancing service offerings, and strengthening relationships with key stakeholders in the defence, security, and law enforcement sectors.

Key Focus Areas for Growth:

1. Market Expansion

- Targeting new government contracts, defence agencies, and private security firms both domestically and internationally.
- Expanding our client base within international peacekeeping operations and military missions to offer specialised training and consultancy.

3. Partnership Development

- Strengthening existing strategic partnerships with military contractors, law enforcement agencies, and industry associations.
- Exploring new collaborations with international defence organisations and technology providers to stay at the cutting edge of industry trends.

5. Talent Development

- Investing in training and development programs to build skilled personnel in arms maintenance, tactical operations, and safety protocols.
- Ensuring our team remains at the forefront of industry standards and best practices.

2. Service Diversification

- Introducing new training programs and consultancy services to meet the evolving needs of our clients in tactical operations, firearms safety, and arms maintenance.
- Leveraging emerging technologies to enhance equipment handling and operational efficiency.

4. Operational Excellence

- Implementing continuous improvements in service quality, efficiency, and client satisfaction.
- Expanding our training facilities and operational capacity to handle growing demands in both local and international markets.

6. Innovation & Technology Integration

- Incorporating new technologies in arms maintenance and firearms training to enhance efficiency and safety.
- Exploring digital solutions for tracking maintenance schedules, training progress, and client communications.

ETHICS & PROFESSIONAL CONDUCT

At MCC PRO ARMS SDN. BHD., we are committed to maintaining the highest standards of ethics and professional conduct in all aspects of our business. Our core values of integrity, accountability, and responsibility guide every decision we make and every service we provide.

Key Principles of Ethics & Conduct:

1. Integrity in Business Practices

- We conduct all business operations with honesty, transparency, and fairness, ensuring that our clients and partners can trust us to uphold our commitments.

2. Compliance with Laws and Regulations

- We strictly adhere to all local and international regulations governing firearms, tactical equipment, and defence services.
- We operate in full compliance with the Companies Act 2016 and industry standards, ensuring that all activities are legally sound and ethically executed.

3. Confidentiality & Data Protection

- We respect the privacy and confidentiality of our clients, stakeholders, and employees, ensuring that sensitive information is secure and protected at all times.
- We comply with data protection regulations to safeguard the personal and operational data entrusted to us.

4. Professionalism in Service Delivery

- We maintain a high standard of professionalism in all client interactions, ensuring that services are delivered with courtesy, respect, and efficiency.
- Our team is trained to provide the highest quality of service while adhering to safety protocols and operational guidelines.

5. Accountability & Transparency

- We take full responsibility for our actions and decisions, ensuring accountability in all aspects of our operations.
- We encourage open communication and transparency with all stakeholders to foster trust and ensure alignment with industry expectations.

6. Commitment to Social Responsibility

- We recognise our role in the community and are committed to ethical business practices that contribute to the social, economic, and environmental well-being of the regions in which we operate.

REGULATORY & ARMS COMPLIANCE

At MCC PRO ARMS SDN. BHD., compliance with all relevant laws and regulations governing firearms and tactical equipment is at the core of our operations. We adhere strictly to national and international standards to ensure that all services and activities are conducted legally and safely.

Key Compliance Practices:

1. Compliance with National Legislation

- We strictly follow the Companies Act 2016 and all related firearms regulations in Malaysia, including the Firearms Act 1960 and Control of Arms Regulations.
- Our operations are aligned with Malaysian standards for the import, sale, and maintenance of firearms and related tactical equipment.

2. International Standards & Regulations

- We ensure full compliance with international arms control regulations, including UN Security Council Resolutions and conventions on arms trade (e.g., the Arms Trade Treaty).
- Our services and products meet the highest global standards for safety, performance, and security.

3. Licensing & Certification

- MCC PRO ARMS SDN. BHD. holds all necessary licenses and certifications required for handling, repairing, and trading firearms and tactical equipment in compliance with national regulations.
- We ensure that all our personnel involved in firearms handling and maintenance are properly trained and certified to meet regulatory requirements.

4. Firearms Safety & Handling Compliance

- We comply with local and international firearms safety standards, ensuring that all maintenance and training services adhere to strict safety protocols.
- Our team follows established firearms handling guidelines, guaranteeing the safety of both personnel and equipment.

5. Regulatory Audits & Inspections

- We undergo regular audits and inspections to ensure continued compliance with all applicable laws and industry standards.
- External reviews and third-party inspections are conducted to verify the adherence to regulatory requirements and industry best practices.

6. Risk Management & Liability Mitigation

- We implement robust risk management procedures to minimize compliance risks and ensure that all operations meet legal and ethical standards.
- All activities, from arms handling to training, are carried out in accordance with the highest safety standards to reduce liability.

HEALTH, SAFETY & ENVIRONMENT (HSE)

At MCC PRO ARMS SDN. BHD., we are deeply committed to ensuring the health, safety, and well-being of our employees, clients, and the environment. We adhere to the highest standards of HSE management, ensuring that all operations are conducted in a safe, responsible, and environmentally sustainable manner.

Key HSE Practices:

1. Health & Safety Compliance

- We comply with all relevant health and safety regulations set forth by local authorities and international standards.
- Our operations, including arms maintenance, firearms training, and equipment handling, adhere to strict safety protocols to ensure the protection of personnel and the surrounding environment.

2. Risk Assessment & Hazard Mitigation

- Prior to each operation, we conduct comprehensive risk assessments to identify potential hazards and implement effective mitigation strategies.
- We ensure that all personnel are trained in recognizing hazards and taking appropriate precautionary measures.

3. Safety Protocols & Emergency Procedures

- All employees and contractors are trained in emergency response procedures to handle any incidents or accidents that may arise.
- Our safety protocols cover equipment handling, firearms training, live-fire exercises, and all operational activities, ensuring compliance with industry safety standards.

4. Personal Protective Equipment (PPE)

- We provide appropriate PPE (e.g., safety goggles, ear protection, gloves) for all personnel involved in firearms handling, maintenance, and training exercises.
- PPE usage is mandatory during live-fire drills and when working with tactical equipment to prevent injuries.

5. Environmental Responsibility

- We are committed to minimizing the environmental impact of our operations by following sustainable practices in the disposal of waste, including used firearms parts, ammunition, and other materials.
- We adhere to environmental regulations related to hazardous materials and work to reduce our ecological footprint through responsible waste management and recycling initiatives.

6. Ongoing Safety Training & Monitoring

- We provide continuous safety training to our personnel, ensuring they remain aware of the latest safety procedures, regulatory updates, and risk management techniques.
- Regular safety audits and site inspections are conducted to monitor compliance with HSE standards and to identify areas for improvement.

NATIONAL SERVICE CONTRIBUTION

At MCC PRO ARMS SDN. BHD., we are proud of our team's long-standing commitment to national service. Many of our personnel have extensive experience in military service, including peacekeeping missions, national defence, and public safety. This background enables us to offer unparalleled expertise and discipline in arms maintenance, training, and technical support services.

Key Contributions to National Service:

1. UN Peacekeeping Mission

- MCC PRO ARMS SDN. BHD. has direct experience in international peacekeeping operations, with personnel having served in UNIFIL (Lebanon) from 2021-2022.
- Our team contributed to global peace efforts through tactical operations, training local forces, and ensuring operational readiness in a high-risk environment.

2. Military Expertise & Training

- Our personnel bring military-grade expertise to the private sector, offering firearms training, safety protocols, and arms maintenance services.
- Through national service, we have gained the skills and discipline necessary to operate in the most demanding and regulated environments.

3. Support to National Defence & Security

- By collaborating with defence ministries and security agencies, we contribute to enhancing national defence readiness and the operational capabilities of local security forces.
- Our services directly support national security through compliance-driven and safety-conscious training and technical services.

4. Community and National Development

- MCC PRO ARMS SDN. BHD. is committed to the development of local communities, skills transfer, and training development in line with national growth initiatives.
- We contribute to national security by building capacity within local law enforcement agencies and enhancing workforce skills for the security sector.

SOCIAL RESPONSIBILITY

At MCC PRO ARMS SDN. BHD., we are committed to contributing positively to society through ethical business practices, community development, and environmental sustainability. We believe in corporate social responsibility (CSR) as an integral part of our mission, aligning our operations with the betterment of society, the environment, and local communities.

Key Social Responsibility Initiatives:

1. Supporting National Development

- We contribute to national development by enhancing the skills and capabilities of local workforce through training programs, firearms safety education, and arms maintenance skills.
- Our work directly supports the national security sector, ensuring that personnel are equipped with the necessary expertise to serve their country safely and effectively.

2. Community Engagement & Support

- We actively engage in initiatives that benefit local communities, including skills transfer programs, youth empowerment, and supporting local NGOs focused on education and community safety.
- Our team members also volunteer in community outreach projects, focusing on safety education and youth leadership development.

3. Environmental Sustainability

- We are committed to reducing our environmental impact, implementing sustainable practices in waste management, recycling, and energy conservation across our operations.
- Environmental protection is a core value in our business, ensuring that we comply with all environmental regulations and actively work towards reducing the ecological footprint of our operations.

4. Ethical Business Practices

- MCC PRO ARMS SDN. BHD. upholds the highest standards of integrity and accountability in all business dealings.
- We ensure transparency, fairness, and responsibility in our interactions with clients, suppliers, and stakeholders, contributing to a more ethical business environment.

5. Veteran and Defence Personnel Support

- As a company with a strong foundation in military service, we are dedicated to supporting veterans and defence personnel by offering career training, job opportunities, and post-service assistance to those who have served our nation.

SHAREHOLDING STRUCTURE

MCC PRO ARMS SDN. BHD. operates as a private limited company, with a clearly defined and transparent shareholding structure. The ownership of the company is divided among the founders and key stakeholders, ensuring that control and decision-making are aligned with the company's long-term goals and growth strategy.
