OIL & GAS SECTOR

RZAC Business Sdn. Bhd. has built a strong reputation for providing expert consultancy services and comprehensive manpower supply solutions to the downstream oil and gas industry. With extensive experience in supporting refineries, petrochemical plants, storage facilities, terminals, and distribution networks, we deliver tailored solutions that address the specific needs of each project, ensuring seamless and efficient operations.

Our services cover a wide range of activities within the oil and gas sector, including operations management, project execution, supply chain optimization, and safety management. We specialize in deploying skilled personnel who are well-equipped to handle the demanding and complex nature of oil and gas operations. These professionals are trained to meet industry regulations, with a particular focus on PETRONAS standards and site-specific safety requirements.

At RZAC, we place a strong emphasis on health, safety, security, and environmental (HSSE) compliance, recognizing that these are critical aspects of the oil and gas industry. We go beyond basic compliance to integrate best practices and ensure that all aspects of safety, environmental sustainability, and operational integrity are rigorously adhered to throughout every phase of a project. This includes the management of potential hazards, implementation of emergency response plans, and regular safety audits to maintain a safe working environment.

Our team works closely with clients to understand their unique operational requirements, delivering customized solutions that not only comply with local regulations but also meet international standards. Whether it's optimizing plant operations, ensuring compliance with environmental laws, or providing trained workforce solutions, RZAC Business Sdn. Bhd. is committed to helping clients achieve operational efficiency, reduce risks, and improve the overall performance of their operations.

We are trusted by clients across the industry for our ability to deliver high-quality manpower, comprehensive consultancy, and end-to-end support for oil and gas projects, making us a reliable and integral partner for any oil and gas operation.

IT & NETWORKING SECTOR

RZAC Business Sdn. Bhd. offers a comprehensive suite of IT services and networking solutions tailored to meet the needs of regulated and mission-critical industries. With a deep understanding of the complex requirements of IT infrastructure, system administration, network operations, and application support, RZAC provides reliable and secure IT solutions that align with industry best practices and regulatory standards.

We specialize in manpower supply for IT roles, ensuring that the personnel we deploy are highly trained, qualified, and ready to support organizations in maintaining robust IT operations. Whether it's managing IT infrastructure, ensuring data security, or supporting network performance, RZAC's IT professionals are equipped to handle diverse IT challenges in industries such as government, energy, telecommunications, and healthcare.

Our core IT services include:

- IT Infrastructure Support: Providing proactive maintenance and management for hardware, servers, networks, and systems to ensure operational efficiency.
- System Administration: Overseeing the deployment, configuration, and management of IT systems, including ensuring system updates and troubleshooting.
- Network Operations: Monitoring and optimizing network performance, ensuring secure and uninterrupted connectivity across organizational infrastructures.
- Application Support: Providing ongoing support and troubleshooting for software applications to ensure seamless operation and user satisfaction.

Security is a primary concern for RZAC, and we take the utmost care in implementing data security measures and business continuity strategies for our clients. From securing sensitive data to ensuring regulatory compliance, we design and implement systems that help clients safeguard their digital assets against potential threats.

We are committed to operational excellence, ensuring that our IT services are aligned with industry standards and client expectations. Our approach is grounded in a solid foundation of structured governance, quality assurance, and compliance frameworks, making us a trusted partner for organizations seeking secure, scalable, and efficient IT solutions.

ENERGY SECTOR

RZAC Business Sdn. Bhd. plays a vital role in supporting the energy sector with expert consultancy services and manpower supply solutions tailored to meet the unique needs of this complex and highly regulated industry. Our services span across key areas such as power generation, transmission, distribution, and energy infrastructure projects, ensuring that clients receive reliable, compliant, and efficient support at every stage of their operations.

We work closely with utilities, government agencies, and energy companies to deliver integrated solutions that improve operational performance, reduce risks, and ensure the long-term sustainability of energy systems. Our expertise extends to providing highly skilled personnel who meet the stringent regulatory requirements and safety standards essential for maintaining energy operations.

Key services we offer within the energy sector include:

- Power Generation: Consultancy and workforce solutions for the design, operation, and maintenance of power plants, including renewable energy sources like solar, wind, and hydropower.
- Transmission & Distribution: Manpower and consultancy support for the safe and efficient operation of high-voltage transmission lines, substations, and distribution networks.
- Energy Infrastructure Projects: End-to-end project support for the development, installation, and management of energy infrastructure, including grid modernization and smart grid technologies.
- Regulatory Compliance: Ensuring that all energy-related projects and operations comply with national and international regulatory standards, including environmental and safety regulations.
- Workforce Competency: Deploying skilled personnel who are trained, certified, and ready to tackle the challenges of operating in safety-critical environments.

At RZAC, we prioritize health, safety, security, and environmental (HSSE) compliance, recognizing that these factors are critical to the success and sustainability of energy operations. We are committed to maintaining the highest standards of operational integrity, project management, and safety, ensuring that all personnel deployed to energy facilities meet the necessary qualifications and certifications.

With a focus on sustainability and operational efficiency, RZAC Business Sdn. Bhd. is a trusted partner in the energy sector, providing the expertise and resources necessary to support the evolving energy landscape.

MEDICAL SERVICES

RZAC Business Sdn. Bhd. is committed to supporting Malaysia's healthcare system through the provision of high-quality medical products and consumables. We are actively involved in supplying essential medical supplies to both public and private healthcare providers, ensuring that the products we deliver meet the highest standards of safety, quality, and regulatory compliance.

Our involvement in the medical services sector has been particularly crucial during times of national need, such as the COVID-19 pandemic, where RZAC played a key role in supplying critical healthcare solutions, including COVID-19 Assay Antibody Test Kits to the Ministry of Health Malaysia and private healthcare providers.

In addition to diagnostic solutions, RZAC supplies a wide range of renal care and dialysis-related consumables, including:

- Sterile haemodialysis fistula needles
- Haemodialysis disposables
- Integrated disconnect Continuous Ambulatory Peritoneal Dialysis (CAPD) twin-bag systems

These products are sourced from reputable manufacturers and meet stringent quality and safety standards to ensure they are reliable for use in healthcare facilities.

We are committed to supporting healthcare professionals and ensuring that hospitals, clinics, and other medical providers have access to the medical supplies they need to provide effective and safe care to patients. Our on-time delivery, regulatory compliance, and commitment to quality have made us a trusted partner for healthcare organizations across Malaysia.

Our mission is to continue contributing to the well-being of the community by delivering innovative medical solutions that improve patient care and support healthcare providers in their critical work.

ELECTRIC VEHICLE (EV) SECTOR

RZAC Business Sdn. Bhd. is at the forefront of the Electric Vehicle (EV) sector, committed to bringing sustainable automotive solutions to the Malaysian market. As the General Distributor for PT Marlip Indonesia in Malaysia, RZAC is responsible for the distribution, sales, export activities, and after-sales service support of PT Marlip's vehicle models, ensuring compliance with local regulatory requirements and market expectations.

Our role extends beyond just vehicle sales—we are dedicated to ensuring that PT Marlip Indonesia's EV models are introduced to the Malaysian market in a way that aligns with regulatory standards and meets the growing demand for clean energy transportation. This includes providing customers with reliable products, technical support, and sustainable solutions that are designed to meet the needs of today's environmentally conscious consumers.

Key services and activities in the EV sector include:

- **Vehicle Distribution:** Managing the importation, sales, and market entry of PT Marlip Indonesia EV models, including coordinating all logistics, importation processes, and regulatory compliance.
- **After-Sales Support:** Providing comprehensive after-sales services, including maintenance, repair services, and technical assistance to ensure that customers' vehicles continue to perform at their best over time.
- **Customer Education:** Offering guidance on EV ownership, including information about charging stations, vehicle maintenance, and the environmental benefits of transitioning to electric vehicles.
- **Sustainability:** RZAC is committed to advancing the green economy by promoting EVs as a sustainable alternative to traditional vehicles, supporting Malaysia's vision of a cleaner, more sustainable future.

As part of our commitment to the growth of the EV sector, we work closely with industry stakeholders, government agencies, and local businesses to create a robust EV ecosystem that supports the widespread adoption of electric vehicles across Malaysia.

RZAC continues to strengthen its position as a trusted distributor and strategic partner in the electric mobility space, offering long-term value to customers and contributing to the nation's efforts to reduce its carbon footprint.

BEAUTY & WELLNESS SECTOR

RZAC Business Sdn. Bhd. is expanding its footprint in the Beauty & Wellness sector through strategic investments and the launch of NAR Global Business Sdn. Bhd., a subsidiary focused on consumer lifestyle and personal care products. Our goal is to cater to the growing demand for high-quality, accessible personal care solutions that prioritize consumer satisfaction, safety, and product integrity.

Through NAR Global, RZAC has entered the sales and distribution of a diverse range of products, including perfumes, dry hair shampoos, and body care solutions, designed to meet the needs of consumers looking for convenient and effective products. We aim to provide innovative solutions that align with current market trends, ensuring that our offerings remain relevant, desirable, and of the highest quality.

Key activities within the Beauty & Wellness sector include:

- **Product Distribution:** Managing the distribution of a wide variety of personal care products, ensuring they reach retail and online marketplaces across Malaysia.
- **Brand Development:** Working on establishing strong brand recognition for NAR Global's products, utilizing modern marketing strategies and digital platforms to connect with a broad customer base.
- **Consumer Satisfaction:** Focusing on creating products that prioritize the health, safety, and well-being of consumers, ensuring that each item is crafted with care and meets stringent quality standards.
- **Sustainability:** We are committed to environmentally-friendly practices and aim to integrate sustainable sourcing, eco-friendly packaging, and ethical product development as part of our ongoing business strategy.

RZAC's entry into the Beauty & Wellness sector reflects our adaptability and commitment to expanding into new, emerging markets. With NAR Global Business Sdn. Bhd., we continue to innovate and bring high-quality, affordable personal care products to customers while driving long-term growth in this dynamic industry.
