MISSION

To become a trusted and leading workforce solutions provider in Malaysia, recognized for delivering reliable, skilled, and efficient manpower that supports the sustainable growth of our clients and creates meaningful employment opportunities for workers.

We are committed to:

- Supplying suitable, trained, and reliable workers across various industries.
- Maintaining high standards of professionalism, safety, discipline, and legal compliance.
- Understanding each client’s requirements and providing flexible workforce solutions.
- Building long-term relationships through honesty, responsiveness, and quality service.
- Supporting our workers through fair treatment, proper guidance, and continuous development.
- Helping businesses improve productivity by ensuring the right people are placed in the right roles.

Company Motto:

“The Right People. The Right Solution.”

OUR
CORE SERVICES

Shenar Workforce Solutions provides practical and reliable manpower support for businesses that require skilled, semi-skilled, temporary, and contract workers. Our services are designed to support daily operations, project needs, urgent manpower shortages, and long-term workforce planning.

GENERAL MANPOWER SUPPLY

We provide general workers for various industries, including warehouse, factory, logistics, cleaning, maintenance, and operational support.

CONTRACT STAFFING

We supply workers on a short-term or long-term contract basis according to the client's operational requirements and project duration.

WAREHOUSE & LOGISTICS SUPPORT

We provide manpower for loading, unloading, sorting, packing, stock arrangement, inventory support, and daily warehouse operations.

FACTORY & PRODUCTION WORKERS

We supply workers to support manufacturing, assembly, production lines, packing, machine assistance, and general factory duties.

SKILLED & SEMI-SKILLED WORKERS

We provide suitable skilled and semi-skilled workers based on job requirements, including technical helpers, machine assistants, maintenance helpers, and site support staff.

WORKFORCE SUPPORT SOLUTIONS

At Shenar Workforce Solutions, we provide flexible workforce support to help businesses manage daily operations, urgent manpower needs, temporary work requirements, and site-based activities. Our solutions are designed to give clients practical manpower support based on job scope, working hours, location, and operational demand.

CLEANING & FACILITY SUPPORT WORKERS

We provide manpower for commercial cleaning, building maintenance support, common area cleaning, and facility-related services.

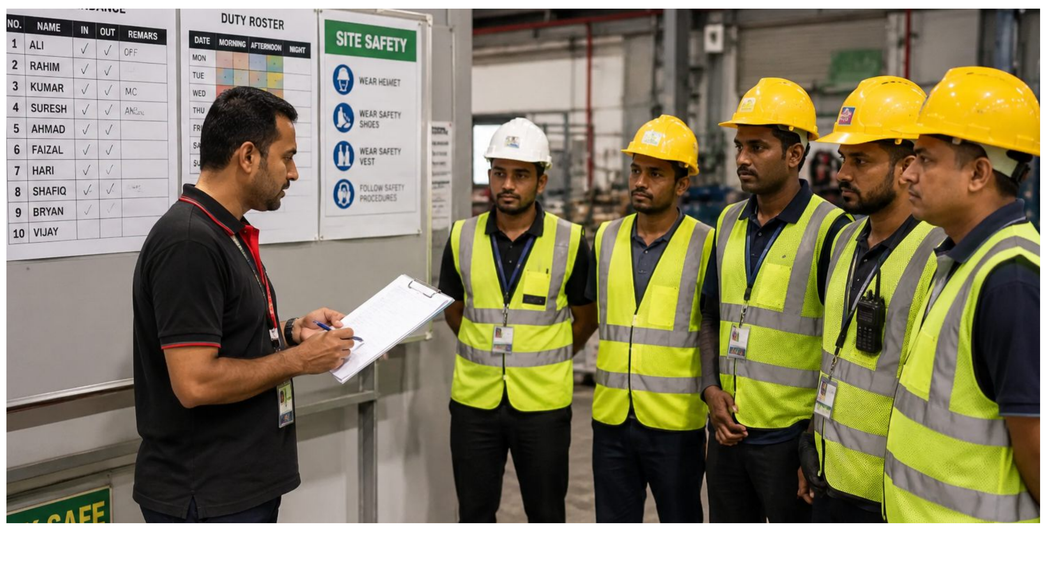

EVENT & TEMPORARY MANPOWER

We supply temporary workers for events, peak-season operations, urgent manpower shortages, and special projects.

SITE & OPERATIONAL SUPPORT

We provide manpower support for construction sites, industrial sites, residential properties, and commercial operations based on client requirements.

WORKER REPLACEMENT & COORDINATION

We assist clients with worker coordination, attendance follow-up, and replacement support when required, subject to agreed service terms.

CUSTOMIZED WORKFORCE SOLUTIONS

We work closely with clients to understand their manpower needs and propose suitable workforce arrangements based on job scope, working hours, manpower quantity, location, and budget.

WHY CHOOSE
SHENAR WORKFORCE SOLUTIONS

Choosing the right workforce partner is important for smooth business operations. Shenar Workforce Solutions provides reliable manpower support with practical staffing arrangements tailored to client needs.

We understand that every business requires workers who are disciplined, committed, and ready to perform. That is why we focus on supplying suitable manpower for daily operations, project-based work, urgent staffing needs, and long-term workforce support.

RELIABLE MANPOWER SUPPLY

We provide dependable workers to support different industries, including warehouse, factory, logistics, cleaning, facility support, and site operations.

FLEXIBLE WORKFORCE ARRANGEMENTS

Our manpower solutions can be arranged based on job scope, working hours, project duration, location, and client requirements.

SKILLED & SEMI-SKILLED SUPPORT

We supply skilled and semi-skilled workers suitable for technical assistance, production support, maintenance help, and operational duties.

PRACTICAL STAFFING SOLUTIONS

We help clients reduce manpower challenges by offering practical workforce support for temporary, contract, and urgent staffing needs.

CLIENT-FOCUSED COORDINATION

We work closely with clients to understand their manpower needs and provide proper coordination, attendance follow-up, and replacement support when required.

TRUSTED WORKFORCE PARTNER

With a commitment to reliability, service support, and practical manpower planning, we aim to become a trusted workforce partner for companies in Malaysia.
