At V.I.S. Foodtech, our focus is on building long-term partnerships with our customers, delivering top-tier ingredients and providing exceptional service to help them succeed in a competitive market.

ABOUT US

V.I.S. Foodtech Ingredient Supplies Sdn. Bhd. is a leading Malaysian supplier of high-quality food ingredients, established in 2003. We specialize in providing premium ingredients and innovative solutions to businesses in the food, beverage, nutraceutical, and health industries.

Our extensive product range includes amino acids, flavors, botanical extracts, sweeteners, and vitamins, all sourced from trusted global suppliers. Over the years, we have built a reputation for reliability, quality, and exceptional customer service.

At V.I.S. Foodtech, we are driven by a commitment to helping our clients achieve success through innovative ingredient solutions, tailored support, and a deep understanding of industry needs. Our team of experts ensures that each product we provide meets the highest standards, empowering businesses to stay ahead in a competitive market.

OUR VISION

VISION

To be the leading supplier of innovative, high-quality food ingredients, empowering businesses in the food, beverage, and nutraceutical industries to create healthier and more sustainable products for a better tomorrow.

MISSION

At V.I.S. Foodtech, our mission is to provide our customers with the highest quality ingredients, backed by exceptional service and technical support. We strive to build long-term partnerships by delivering tailored solutions that help our clients succeed in an ever-evolving market, while upholding our commitment to sustainability, innovation, and excellence in every product we offer.

Core Values

At V.I.S. Foodtech, our core values guide every aspect of our business, ensuring we deliver the highest quality ingredients and exceptional service to our clients.

01. QUALITY

We are committed to providing only the highest-quality ingredients, sourced from trusted suppliers and rigorously tested to meet industry standards.

02. INTEGRITY

We conduct our business with honesty, transparency, and respect, ensuring that our clients can always rely on us for ethical and trustworthy solutions.

03. INNOVATION

We embrace innovation, continuously improving our products, services, and processes to meet the evolving needs of the market and our customers.

04. CUSTOMER-CENTRICITY

Our customers are at the heart of everything we do. We focus on understanding their unique needs and delivering tailored solutions that help them succeed.

05. SUSTAINABILITY

We are dedicated to responsible sourcing and sustainable practices, ensuring that our business contributes positively to the environment and the communities we serve.

06. EXCELLENCE

We strive for excellence in everything we do, from product quality to customer service. Our team is committed to delivering the best results and exceeding expectations.

BUSINESS MODEL

At V.I.S. Foodtech, our business model is centered around providing high-quality food ingredients and solutions to businesses in the food, beverage, nutraceutical, and health industries. We combine industry expertise, innovation, and a customer-first approach to deliver exceptional products and services that meet the diverse needs of our clients.

1

B2B FOCUSED

We supply premium ingredients to manufacturers and producers, offering customized solutions to meet specific needs.

2

RELIABLE SUPPLY CHAIN

Sourced from trusted global suppliers, we ensure timely, consistent deliveries of high-quality ingredients.

3

CUSTOMER SUPPORT

Our experts provide ongoing support and consultation, helping clients optimize their products and meet industry standards.

4

INNOVATION AND LONG-TERM PARTNERSHIPS

We embrace innovation to stay ahead of market trends, fostering long-term, mutually beneficial relationships with clients.

PRODUCT & SERVICE CATEGORIES OVERVIEW

V.I.S. Foodtech offers a wide range of high-quality ingredients and solutions tailored to meet the needs of the food, beverage, nutraceutical, and health industries. Our product and service categories include:

Amino Acids

We provide essential and non-essential amino acids for various applications in food and beverage formulations, as well as nutraceuticals and health supplements.

Flavours

Our diverse range of liquid and powder flavors enhances the taste and aroma of food and beverages, designed to meet the latest consumer trends.

Botanical Extracts

We offer natural botanical extracts, including herbs, spices, and plant-based ingredients, known for their functional benefits in food and wellness products.

Sweeteners

Our selection of natural and artificial sweeteners is ideal for low-sugar, reduced-calorie, and sugar-free formulations, catering to consumer demand for healthier options.

Vitamins & Nutraceuticals

We supply a variety of vitamins and functional ingredients designed to support health and wellness, including formulations for supplements and fortified foods.

Proteins

Our protein ingredients, including plant-based and animal-derived options, are used in a wide range of applications, from nutrition bars to beverages.

Food & Beverage Ingredients

We offer a broad selection of food and beverage ingredients, including stabilizers, emulsifiers, and thickening agents, to help businesses achieve the perfect product texture and consistency.

Custom Solutions

In addition to our standard product offerings, we provide customized ingredient solutions, formulations, and technical support to meet the specific needs of our clients.

AMINO ACIDS

Amino acids are the building blocks of proteins and play a vital role in numerous biological processes. At V.I.S. Foodtech, we offer a comprehensive range of amino acids to meet the needs of various industries, including food, beverage, nutraceuticals, and health supplements.

1 Essential Amino Acids

These amino acids cannot be produced by the body and must be obtained through diet or supplementation. Our range of essential amino acids includes:

- Leucine
- Isoleucine
- Valine
- Lysine
- Methionine
- Phenylalanine
- Threonine
- Tryptophan
- Histidine

3 Non-Essential Amino Acids

Non-essential amino acids can be synthesized by the body, but they are still crucial for maintaining optimal health. We offer high-quality non-essential amino acids, such as:

- Glutamine
- Alanine
- Asparagine
- Glycine
- Arginine

5 Quality Assurance

We source our amino acids from reputable suppliers and ensure they meet the highest industry standards for purity, consistency, and effectiveness. Our commitment to quality guarantees that you receive the best ingredients for your formulations.

2 Functional Benefits

Amino acids play a significant role in:

- Muscle building and recovery: Essential for athletes and fitness enthusiasts.
- Metabolism and digestion: Key components for energy production and digestive health.
- Immune function: Support the body's defense mechanisms.
- Skin health: Amino acids contribute to collagen production, improving skin elasticity.

4 Applications

Our amino acids are used in a wide range of applications, including:

- Food and Beverages: For fortification, flavor enhancement, and functional benefits.
- Nutraceuticals: In dietary supplements, protein powders, and wellness formulations.
- Animal Feed: To support growth, health, and productivity in livestock.

Flavours

V.I.S. Foodtech offers a wide range of high-quality liquid and powder flavours designed to enhance the taste and aroma of food and beverages.

1. **LIQUID FLAVOURS**

   Versatile and easy to use in beverages, dairy products, and sauces.

2. **POWDER FLAVOURS**

   Ideal for dry mixes, baked goods, and confectionery.

3. **NATURAL & ARTIFICIAL FLAVOURS**

   - Natural Flavours: Derived from natural sources for clean-label products.
   - Artificial Flavours: Cost-effective alternatives for broad applications.

4. **CUSTOM FLAVOUR SOLUTIONS**

   Tailored flavours to meet specific product needs.

5. **APPLICATIONS**

   Used in beverages, snacks, dairy, nutraceuticals, and more.

6. **QUALITY ASSURANCE**

   Our flavours meet the highest standards of safety, consistency, and sensory appeal.

Food & Beverage Ingredients

V.I.S. Foodtech provides a broad selection of food and beverage ingredients designed to enhance product quality, texture, and consistency. Our ingredients are perfect for use in a variety of formulations across multiple industries.

01. Stabilizers & Emulsifiers

Essential for maintaining texture and stability in beverages, dairy products, and sauces. Our emulsifiers help achieve smooth textures and consistent products.

02. Hydrocolloids & Gelling Agents

Used in applications like jellies, candies, and dairy products, these ingredients improve texture and consistency, providing the desired mouthfeel.

3. Sweeteners & Acidulants

Our sweeteners and acidulants help balance flavor profiles in a wide range of products, from beverages to snacks and bakery items, offering healthier alternatives without compromising taste.

4. Flavor Enhancers

Our sweeteners and acidulants help balance flavor profiles in a wide range of products, from beverages to snacks and bakery items, offering healthier alternatives without compromising taste.

5. Fortification Ingredients

We provide ingredients such as vitamins, minerals, and fibers that can be added to foods and beverages to enhance their nutritional profile.

6. Applications

Our food and beverage ingredients are used in:

- Beverages (soft drinks, energy drinks, juices)
- Dairy and plant-based products (yogurts, milk, cheese)
- Snacks and confectionery
- Sauces and dressings

7. Quality Assurance

Each ingredient is carefully sourced and tested to ensure it meets the highest standards of safety, consistency, and performance.

NUTRACEUTICALS & HEALTH INGREDIENTS

V.I.S. Foodtech offers a wide range of nutraceutical and health ingredients that support wellness and improve the nutritional profile of products. These ingredients are ideal for use in dietary supplements, functional foods, and health-focused beverages.

1 Vitamins & Minerals

We provide a variety of essential vitamins and minerals, including vitamin C, B vitamins, calcium, and magnesium, designed to support overall health and wellness.

2 Plant Extracts & Botanicals

Our selection of natural plant-based extracts, such as ginseng, turmeric, and green tea, offers numerous health benefits, including antioxidant, anti-inflammatory, and immune-boosting properties.

3 Probiotics & Prebiotics

We supply high-quality probiotics and prebiotics to support digestive health, enhance immunity, and improve gut microbiome balance.

4 Omega Fatty Acids

Our omega-3 and omega-6 fatty acids are essential for heart health, brain function, and inflammation control, commonly used in supplements and functional foods.

5 Proteins & Amino Acids

We offer plant-based and animal-derived proteins, as well as amino acids, to support muscle recovery, growth, and overall well-being.

6 Applications

Our nutraceuticals and health ingredients are widely used in:

- Dietary supplements
- Functional foods and beverages
- Weight management products
- Immune-boosting formulations

QUALITY ASSURANCE

At V.I.S. Foodtech, we are committed to providing only the highest quality ingredients to our customers. Our comprehensive quality assurance process ensures that every product meets the stringent standards for safety, consistency, and performance.

1

Rigorous Sourcing Standards

We source our ingredients from trusted, reputable suppliers around the world. Each supplier is thoroughly vetted to ensure they meet our quality standards, which include sustainability, ethical practices, and compliance with industry regulations.

2

Testing and Certification

Each batch of ingredients undergoes extensive testing in accredited laboratories. We ensure that all products meet safety requirements and industry certifications, including:

- Purity testing
- Microbial testing
- Nutritional analysis
- Ingredient integrity

3

Consistency and Reliability

We use advanced technologies to maintain consistency across every product batch. This guarantees that our clients receive reliable ingredients with the same quality in every shipment.

4

Compliance with Industry Standards

Our quality assurance process adheres to international food safety regulations and standards, including:

- HACCP (Hazard Analysis and Critical Control Points)
- ISO 9001:2015 certification
- GMP (Good Manufacturing Practices)

5

Ongoing Monitoring

We monitor ingredient performance and quality to meet market demands, working closely with clients to address concerns and ensure satisfaction.

COMPETITIVE ADVANTAGES

At V.I.S. Foodtech, we differentiate ourselves through a combination of industry expertise, high-quality products, and a customer-first approach. Here are the key advantages that set us apart:

1 Extensive Product Range

We offer a diverse portfolio of high-quality ingredients, including amino acids, flavours, botanicals, sweeteners, and nutraceuticals, catering to a wide array of industries.

2 Trusted Global Network

Our strong relationships with trusted suppliers worldwide enable us to access the latest innovations and ensure the consistent supply of premium ingredients.

3 Custom Solutions

We provide tailored ingredient solutions, working closely with clients to develop formulations that meet specific needs, ensuring unique and competitive products.

4 Expertise & Support

With over 20 years of industry experience, our team provides expert advice and technical support, helping clients optimize formulations and stay ahead in the market.

5 Commitment to Quality

We maintain rigorous quality control measures, ensuring every product meets the highest standards for purity, consistency, and safety.

CUSTOMER TESTIMONIALS & CASE STUDIES

At V.I.S. Foodtech, we pride ourselves on building long-lasting relationships with our clients by providing high-quality ingredients and exceptional service. Below are some testimonials and case studies that showcase our commitment to customer success.

CUSTOMER TESTIMONIALS

"Exceptional Service and Quality"

"V.I.S. Foodtech has been a key partner in our product development. Their wide range of premium ingredients and consistent quality have helped us create successful products that meet the needs of our customers. We highly value their customer support and technical expertise."

— John Lee, Product Manager, Beverage Solutions

"Reliable and Trustworthy Supplier"

"As a nutraceutical company, finding a supplier who understands our specific needs is essential. V.I.S. Foodtech has consistently provided us with high-quality vitamins and plant extracts, always on time. We trust them for both quality products and excellent service."

— Sarah Tan, Director, NutraHealth Products

CASE STUDY: PRODUCT INNOVATION IN BEVERAGES

Challenge:

A leading beverage company faced difficulties in developing a new sugar-free drink that was both flavorful and natural.

Solution:

V.I.S. Foodtech worked closely with the client to provide a range of natural sweeteners and flavor enhancers. We collaborated on formulating the product, ensuring it met both taste and nutritional requirements.

Results:

The client successfully launched the new beverage line, which received positive consumer feedback for its natural taste and quality. The partnership with V.I.S. Foodtech played a key role in the product's market success.

HOW WE WORK / HOW TO ORDER

At V.I.S. Foodtech, we make the ordering process simple and efficient, ensuring that our clients receive the highest quality ingredients on time and with minimal hassle. Here's a step-by-step guide to how we work and how to place an order:

1 Initial Consultation

We begin by understanding your specific needs. Whether you're looking for standard ingredients or customized solutions, our team will work closely with you to discuss your requirements.

2 Product Selection

Once we've identified your needs, we provide you with a selection of products that best match your specifications. We offer a wide range of ingredients, from amino acids and flavors to botanicals and sweeteners.

3 Custom Formulation (if needed)

For tailored ingredients or formulations, our experts collaborate with you to develop a custom solution that meets your exact specifications. We offer support throughout the process to ensure the best results.

4 Order Confirmation

Once you've chosen the products, we confirm the order details, including quantities, pricing, and delivery times. A confirmation is sent to ensure clarity on all aspects.

5 Delivery

We ensure timely delivery of your products through our reliable logistics partners. We take care of all the details, from packaging to shipping, ensuring your order arrives safely and on time.

6 Ongoing Support

Even after the order is delivered, we offer ongoing support to address any questions or concerns you may have. Our team is here to ensure your continued satisfaction.
