Kajang, Selangor | Serving Klang Valley

COMPANY
INTRODUCTION

Velora Design & Build Sdn. Bhd. is a premium interior design and renovation company based in Kajang, Selangor, serving residential and commercial clients across the Klang Valley.

We provide complete design-and-build solutions, including interior design, space planning, 3D visualisation, renovation works, custom carpentry, kitchen cabinets, wardrobes, TV feature walls, and built-in furniture solutions.

Our team focuses on understanding each client’s lifestyle, needs, budget, and design preferences to create interiors that are elegant, functional, and built with quality workmanship.

At Velora, every space is designed with purpose and built with excellence.

ABOUT
VELORA DESIGN & BUILD

Velora Design & Build Sdn. Bhd. is a premium interior design and renovation company based in Kajang, Selangor, offering complete design-and-build solutions across the Klang Valley.

We specialise in creating elegant, functional, and personalised spaces for residential and commercial clients. Our services include interior design, space planning, 3D visualisation, renovation works, custom carpentry, kitchen cabinets, wardrobes, TV feature walls, and built-in furniture solutions.

With a focus on quality materials, skilled workmanship, and professional project management, Velora ensures every project is carefully planned and completed with attention to detail.

At Velora, we believe great interiors should enhance comfort, improve functionality, and add lasting value to every space.

VISION,
MISSION & CORE VALUES

OUR VISION

To become one of Malaysia’s trusted premium interior design and build companies, recognised for creative design, quality craftsmanship, and excellent customer experience.

OUR MISSION

At Velora Design & Build Sdn. Bhd., our mission is to create beautiful, practical, and personalised interiors that suit each client’s lifestyle, needs, and budget.

We are committed to delivering quality workmanship, reliable project management, and innovative design solutions that exceed client expectations.

OUR CORE VALUES

Creativity
We create fresh, practical, and personalised design ideas for every space.

Quality
We focus on durable materials, skilled workmanship, and excellent finishing.

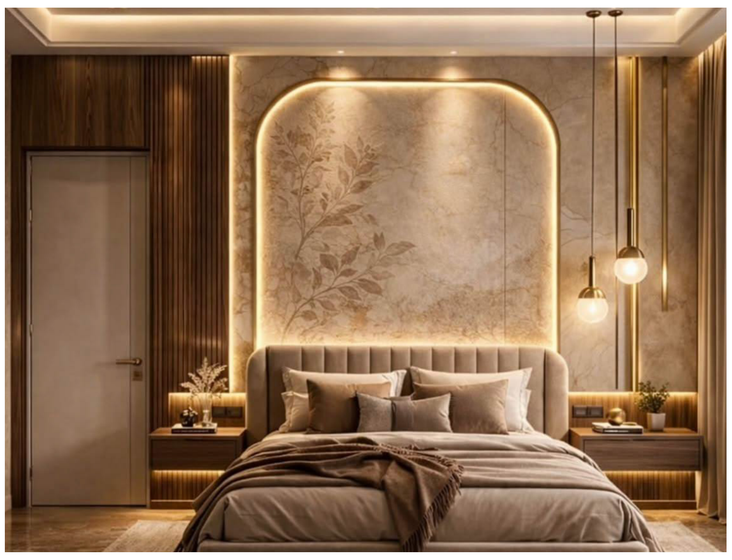

Integrity
We practise honesty, transparency, and professionalism throughout every project.

Craftsmanship
We pay attention to detail, precision, and long-lasting results.

Customer Commitment
We listen to our clients and deliver spaces that match their vision and expectations.

OUR CORE SERVICES

At Velora Design & Build Sdn. Bhd., we provide complete interior design, renovation, and custom-built solutions for residential and commercial spaces. Our services are designed to help clients transform their ideas into beautiful, functional, and long-lasting interiors.

Interior Design

We create personalised interior concepts that balance style, comfort, and practicality. From space planning and 2D layouts to 3D visualisation, material selection, colour consultation, lighting design, and furniture recommendations, our design team ensures every space is thoughtfully planned and visually inspiring.

Design & Build

Our design-and-build service provides a seamless experience from concept to completion. We specialise in custom kitchen cabinets, wardrobes, TV feature walls, shoe cabinets, display cabinets, wet and dry kitchens, bedroom carpentry, living hall features, bathroom vanity cabinets, and home office design.

Renovation Works

We manage renovation works with professional coordination, quality workmanship, and attention to detail. Our renovation services include carpentry, electrical works, plumbing, ceiling installation, painting, flooring, tiling, lighting installation, glass and mirror works, and aluminium works.

Custom Carpentry

We design and build customised carpentry solutions that maximise space, improve functionality, and enhance the overall look of each interior. Every piece is crafted to suit the client's lifestyle, storage needs, design preference, and budget.

3D Design & Space Planning

Our realistic 3D visualisation and practical space planning help clients clearly understand the final design before renovation begins. This ensures better decision-making, smoother project execution, and a more satisfying end result.

INTERIOR

At Velora Design & Build Sdn. Bhd., our interior design services are focused on creating spaces that are elegant, functional, and personalised to each client's lifestyle, taste, and daily needs.
We believe that good interior design is not only about making a space look beautiful, but also about improving comfort, flow, usability, and long-term value. Every design is carefully planned to maximise space, enhance visual appeal, and create a practical environment that suits modern living or business requirements.

OUR INTERIOR DESIGN SCOPE

SPACE PLANNING
We plan layouts that make every area more functional, comfortable, and efficient.

2D LAYOUT PLANNING
We prepare clear layout plans to help clients understand space arrangement, furniture placement, and movement flow.

3D VISUALISATION
We provide realistic 3D visuals so clients can preview the final interior concept before renovation begins

INTERIOR CONCEPT DEVELOPMENT
We create customised design concepts based on the client's preferred style, lifestyle, budget, and space requirements.

MATERIAL & COLOUR CONSULTATION
We guide clients in choosing suitable materials, colours, textures, and finishes that match the overall design direction.

LIGHTING DESIGN
We plan lighting placement and ambience to enhance comfort, mood, and the beauty of each interior space.

FURNITURE & DÉCOR RECOMMENDATIONS
We recommend furniture, décor, and accessories that complete the interior look while maintaining practicality and balance.

With thoughtful planning, creative design, and attention to detail, Velora helps clients turn their ideas into beautiful and inspiring interiors.

DESIGN &
BUILD SOLUTIONS

At Velora Design & Build Sdn. Bhd., we provide complete design-and-build solutions from concept to final handover. Our team combines creative design, quality materials, skilled workmanship, and professional coordination to deliver spaces that are practical, elegant, and built to last.

OUR SCOPE

Kitchen Cabinets
Custom cabinets designed for better storage, function, and modern style.

Wardrobes
Tailored wardrobe solutions that suit room layout and lifestyle needs.

TV Feature Walls
Stylish feature walls that enhance the living area.

Dry & Wet Kitchens
Practical kitchen solutions for daily use and modern living.

Bedroom Carpentry
Built-in furniture and storage for comfort and space efficiency.

Bathroom Vanity Cabinets
Functional vanity cabinets with clean and elegant finishing.

Home Office Design
Smart workspace solutions for productivity and style.

RENOVATION WORKS

At Velora Design & Build Sdn. Bhd., we provide professional renovation works for residential and commercial spaces, focusing on quality workmanship, proper coordination, and neat finishing.

Our team manages each renovation carefully to ensure the project matches the client’s design goals, budget, and timeline.

OUR RENOVATION SCOPE

Carpentry Works
Custom cabinets, wardrobes, storage units, and interior fittings.

Flooring & Tiling
Floor and wall tile installation for a polished and durable result.

Electrical & Plumbing Works
Safe wiring, lighting points, power outlets, and reliable plumbing installation.

Lighting Installation
Functional and decorative lighting to improve ambience and usability.

Ceiling, Painting & Finishing
Modern ceiling installation, wall painting, and clean interior finishing.

Glass, Mirror & Aluminium Works
Stylish partitions, mirrors, doors, frames, and aluminium fittings.

With skilled workmanship and careful project management, Velora delivers renovation works that are practical, elegant, and built to last.

OUR DESIGN STYLES

At Velora Design & Build Sdn. Bhd., we create interiors that combine elegance, comfort, and functionality. Every design style is carefully tailored to match the client's lifestyle, space requirements, personality, and budget.

Modern Luxury

Elegant interiors with premium finishes, refined details, stylish lighting, and a sophisticated modern look.

Contemporary Luxury

Clean, stylish, and upscale designs that blend modern comfort with timeless visual appeal.

Japandi

A calm and balanced style that combines Japanese simplicity with Scandinavian warmth, using natural textures and soft tones.

Modern Classic

A graceful design style that blends classic details with modern materials, creating a timeless and elegant atmosphere.

Minimalist

Simple, clean, and clutter-free interiors focused on functionality, open space, and calm visual balance.

Scandinavian

Bright, cosy, and practical interiors using light colours, natural materials, and simple design elements.

Industrial

Bold and stylish spaces featuring raw textures, metal accents, exposed finishes, and modern urban character.

Contemporary

Flexible and modern interiors with clean lines, practical layouts, and stylish finishing suitable for today's lifestyle.

With our personalised design approach, Velora ensures every interior reflects the client's vision while maintaining comfort, beauty, and long-lasting value.

OUR PROCESS

At Velora Design & Build Sdn. Bhd., we follow a clear and organised process to ensure every project is well-planned, professionally managed, and completed with quality results.

1. Free Consultation & Site Visit

We begin by understanding the client's requirements, lifestyle, budget, and design preferences. Our team also conducts a site visit to take measurements and review the space condition.

2. Space Planning

We develop practical layout plans that maximise functionality, improve movement flow, and make the best use of every available space.

3. 3D Design

We prepare realistic 3D visualisations so clients can clearly preview the design concept, materials, colours, and overall look before renovation begins.

4. Material Selection

We guide clients in selecting suitable finishes, colours, hardware, lighting, and accessories that match the design direction and budget.

5. Construction & Renovation

Our project team manages the renovation and installation process with close attention to workmanship, coordination, timeline, and site progress.

6. Quality Inspection & Handover

Before completion, every detail is carefully inspected to ensure the final result meets our quality standards and the client's expectations.

From first consultation to final handover, Velora is committed to delivering a smooth, transparent, and professional

QUALITY, MATERIALS

& CRAFTSMANSHIP

At Velora Design & Build Sdn. Bhd., we believe every interior should be beautiful, functional, and built with lasting quality.

We carefully select suitable materials, finishes, fittings, and hardware to match each design concept, lifestyle need, and budget. Our team works with skilled craftsmen to ensure every cabinet, wardrobe, kitchen, feature wall, and renovation detail is completed with precision and neat finishing.

OUR QUALITY FOCUS

Premium Materials

We use suitable and reliable materials to achieve durable finishing and long-lasting value.

Skilled Workmanship

Our experienced team ensures every detail is professionally executed with care and precision.

Functional Design

Every design is planned to improve comfort, storage, movement flow, and everyday usability.

Attention to Detail

From measurements to installation, we focus on neat finishing, alignment, and overall presentation.

Lasting Value

We deliver interiors that are not only stylish, but also practical, strong, and valuable over time.

With a strong commitment to quality, Velora ensures every space is completed with excellent finishing, reliable materials, and craftsmanship that reflects true professionalism.

WHY CHOOSE VELORA?

Choosing the right interior design and renovation partner is important to ensure your project is completed smoothly, beautifully, and with lasting quality. At Velora Design & Build Sdn. Bhd., we provide a professional design-and-build experience that focuses on creativity, quality, transparency, and customer satisfaction.

Professional Design Consultation

We listen to your ideas, understand your lifestyle, and provide practical design advice that suits your space, needs, and budget.

Personalised Interior Solutions

Every project is customised to reflect the client's taste, daily routine, space requirements, and preferred design style.

Realistic 3D Visualisations

Our 3D design helps clients clearly preview the final concept before renovation begins, making the decision-making process easier and more confident.

Quality Materials & Workmanship

We focus on reliable materials, skilled craftsmanship, and neat finishing to ensure every interior is beautiful, functional, and built to last.

Transparent Pricing

We provide clear communication and practical project planning to help clients understand the scope, cost, and process from the beginning.

Efficient Project Management

From consultation to handover, our team coordinates each stage carefully to maintain smooth progress and timely completion.

Customer-Centric Approach

We believe in building long-term relationships through trust, professionalism, responsive service, and excellent after-sales support.
With Velora, clients can enjoy a complete interior transformation experience guided by purpose, quality, and excellence.

OUR COMMITMENT

At Velora Design & Build Sdn. Bhd., our commitment is to deliver interior spaces that are not only beautiful, but also practical, comfortable, and built with lasting quality. We believe every space has its own purpose, and every client has a unique lifestyle, preference, and vision that should be reflected in the final design.

We take the time to understand each client's needs before developing the right design direction, layout, material selection, and renovation plan. From the first consultation to project completion, our team works with creativity, precision, and professionalism to ensure every detail is carefully planned and properly executed.

Our commitment goes beyond design. We focus on quality workmanship, reliable materials, transparent communication, practical project coordination, and neat finishing. Whether we are designing a modern kitchen, custom wardrobe, TV feature wall, bedroom carpentry, home office, or complete renovation project, we aim to deliver results that improve both the beauty and functionality of the space.

We are also committed to providing clients with a smooth and confident design-and-build experience. Our team manages each stage with responsibility, from concept development and 3D visualisation to construction, installation, inspection, and handover.

At Velora, we do not simply renovate spaces — we create meaningful interiors that enhance daily living, add value to the property, and bring our clients' ideas to life.

Design with Purpose. Build with Excellence.
